Completion of the purchase of the weighing business of Salbreux Pesage (La Rochelle (17) – La Roche-Sur-Yon (85))

Precia Molen and the shareholders of Salbreux Pesage announce the completion of their negotiations and the sale of the weighing activities of Salbreux Pesage to Precia Molen Group that is effective on August 1st, 2017.

Salbreux is a company specialised in selling and servicing weighing equipment on the Atlantic coast with two entities in La Rochelle and La Roche-sur-Yon. With a long experience and a very solid customer base, this activity will improve the territorial network of Precia Molen Service while offering the current Salbreux customers direct access to the services and products of Precia Molen Group.

About Precia Molen

PRECIA MOLEN designs and manufactures, sales and maintains systems and solutions of industrial and commercial static weighing and of continuous weighing and dosing equipment. Main clients are heavy industries (mines, quarries, steel, environment, energy...) and light industries (food, chemicals, transportation and logistic...) and also public sectors (posts, local authorities...).

From design to after sales service, PRECIA-MOLEN is able to provide total weighing solutions for all businesses. Precia Molen is present in 42 countries, with 18 commercial subsidiaries and a large network of selling agents. It has six production plants (France, The Netherlands, India, the United Kingdom and Morocco) and two assembly sites (Brésil, USA). The Group pursues a large research and innovation program, and has been granted an "Innovating Company" status by French authority Oseo.

Precia Molen is listed on NYSE Euronext's C compartment in Paris (code ISIN FR0000060832 - Mnemo: PREC).
