**Euro Medium Term Note Programme
with or without the guarantee of the Republic of France**

Under the Euro Medium Term Note Programme (the "**Programme**") described in this Base Prospectus (the "**Base Prospectus**"), Agence Française de Développement ("**AFD**" or the "**Issuer**"), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Euro Medium Term Notes (the "**Notes**"). The aggregate principal amount of Notes outstanding will not at any time exceed Euro 30,000,000,000 (or the equivalent in other currencies).

This Base Prospectus supersedes and replaces the base prospectus dated 12 June 2014 and all supplements thereto.

Notes will be issued in one or more series (each a "**Series**"), and may be unconditionally and irrevocably guaranteed by the Republic of France (in such case, the "**Guarantor**"), as the case may be, specified in the relevant Final Terms (as defined below). Each Series of Notes may be issued in one or more tranches (each a "**Tranche**") on different issue dates and on terms otherwise identical (except in relation to the interest commencement dates and matters related thereto).

Application has been made for approval of this Base Prospectus to the Autorité des marchés financiers (the "**AMF**") in France in its capacity as competent authority pursuant to Article 212-2 of its *Règlement Général* which implements Directive 2003/71/EC of 4 November 2003 on the prospectus to be published when securities are offered to the public or admitted to trading as amended (the "**Prospectus Directive**"). Application may be made (i) to Euronext Paris S.A. for Notes issued under the Programme during a period of 12 months from the date of approval by the AMF of this Base Prospectus to be listed and admitted to trading on Euronext Paris and/or (ii) to any other Regulated Market (as defined below) situated in a Member State of the EEA for Notes issued under the Programme to be listed and admitted to trading on such Regulated Market. Euronext Paris is a regulated market for the purposes of the Markets in Financial Instruments Directive 2004/39/EC as amended (a "**Regulated Market**"). However, Notes may be issued pursuant to the Programme which are not listed and admitted to trading on a Regulated Market. The relevant final terms (the "**Final Terms**") (forms of which are contained herein) in respect of the issue of any Notes will specify whether or not such Notes will be listed and admitted to trading and, if so, the relevant Regulated Market in the European Economic Area (the "**EEA**"). The Issuer may also issue Notes under the Programme for which no prospectus is required to be published under the Prospectus Directive (the "**Exempt Notes**"). Such Exempt Notes may be listed or admitted to trading on any stock exchange which is not a Regulated Market. Exempt Notes may not be listed or admitted to trading. In the case of Exempt Notes, notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and certain other information which are applicable to each Tranche will be set out in a pricing supplement document substantially in the form of the Final Terms.

Notes may be issued in bearer form only ("**Bearer Notes**") or in registered form only ("**Registered Notes**"). Notes of each Tranche of each Series of Notes in bearer form will initially be represented by a temporary global note in bearer form (each a "**Temporary Global Note**") without coupons. The Temporary Global Notes will each be either exchangeable for interests in a permanent global note in bearer form (each a "**Permanent Global Note**") and together with the Temporary Global Notes, the "**Global Note**") or for definitive Notes as specified in the relevant Final Terms. Notes in registered form will be represented by registered certificates (each a "**Certificate**") or, in the case of Certificates representing Registered Notes that are registered in the name of a nominee for one or more clearing systems, a "**Global Certificate**"), one Certificate being issued in respect of each Noteholder's entire holding of Registered Notes of one Series. If the Global Notes or Global Certificates are stated in the applicable Final Terms to be issued in new global note ("**NGN**") form ("**New Global Notes**" or "**NGNs**") or, as the case may be, under the New Safekeeping Structure ("**NSS**") they may be intended to be eligible collateral for Eurosystem monetary policy and the Global Notes, or, as the case may be, the Global Certificates, will be deposited on or prior to the original issue date of the Tranche with a common safekeeper (the "**Common Safekeeper**") or its nominee for Euroclear Bank S.A./N.V. ("**Euroclear**") and Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**"). Global Notes which are not issued in NGN form ("**Classic Global Notes**" or "**CGNs**") or Global Certificates not to be held under the NSS may (a) in the case of a Tranche intended to be cleared through Euroclear and/or Clearstream Luxembourg be deposited on the issue date with a common depository on behalf of Euroclear and Clearstream, Luxembourg (the "**Common Depository**") or its nominee, (b) in the case of a Tranche of Notes intended to be cleared through Euroclear France, be deposited on the issue date with Euroclear France acting as central depository and (c) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear, Clearstream, Luxembourg and Euroclear France or delivered outside a clearing system, be deposited as agreed between the Issuer and the relevant Dealer (as defined below).

The provisions governing the exchange or transfer of interests in (i) Global Notes for other Global Notes and definitive Notes and (ii) Global Certificates are described in "Summary of Provisions Relating to the Notes while in Global Form".

RETAIL CASCADES

In the context of any offer of Notes in France and/or any other jurisdiction of the European Economic Area in which this Base Prospectus has been passported from time to time (the “**Public Offer Jurisdictions**”) that is not within an exemption from the requirement to publish a prospectus under the Prospectus Directive, as amended, (a “**Public Offer**”), the Issuer consents to the use of this Base Prospectus, as supplemented from time to time, and the relevant Final Terms (together, the “**Prospectus**”) in connection with a Public Offer of any Notes during the offer period specified in the relevant Final Terms (the “**Offer Period**”) and in the Public Offer Jurisdiction(s) specified in the relevant Final Terms:

- (1) subject to conditions set out in the relevant Final Terms, by any financial intermediary designated in such Final Terms; or
- (2) if so specified in the relevant Final Terms, by any financial intermediary which satisfies the following conditions: (a) acts in accordance with all applicable laws, rules, regulations and guidance of any applicable regulatory bodies (the “**Rules**”), from time to time including, without limitation and in each case, Rules relating to both the appropriateness or suitability of any investment in the Notes by any person and disclosure to any potential investor; (b) complies with the restrictions set out under section headed “*Subscription and Sale*” in this Base Prospectus which would apply as if it were a Dealer; (c) ensures that any fee (and any commissions or benefits of any kind) received or paid by that financial intermediary in relation to the offer or sale of the Notes is fully and clearly disclosed to investors or potential investors; (d) holds all licences, consents, approvals and permissions required in connection with solicitation of interest in, or offers or sales of, the Notes under the Rules; (e) retains investor identification records for at least the minimum period required under applicable Rules, and shall, if so requested, make such records available to the relevant Dealer(s) and the Issuer or directly to the appropriate authorities with jurisdiction over the Issuer and/or the relevant Dealer(s) in order to enable the Issuer and/or the relevant Dealer(s) to comply with anti-money laundering, anti-bribery and “know your client” rules applying to the Issuer and/or the relevant Dealer(s); (f) does not, directly or indirectly, cause the Issuer or the relevant Dealer(s) to breach any Rule or any requirement to obtain or make any filing, authorisation or consent in any jurisdiction; and (g) satisfies any further conditions specified in the relevant Final Terms (in each case any such financial intermediary being an “**Authorised Offeror**”). For the avoidance of doubt, none of the Dealers or the Issuer shall have any obligation to ensure that an Authorised Offeror complies with applicable laws and regulations and shall therefore have no liability in this respect.

The Issuer accepts responsibility, in the Public Offer Jurisdiction(s) specified in the Final Terms, for the content of the Prospectus in relation to any person (an “**Investor**”) in such Public Offer Jurisdiction(s) to whom an offer of any Notes is made by any Authorised Offeror and where the offer is made during the period for which that consent is given. However, neither the Issuer nor any Dealer has any responsibility for any of the actions of any Authorised Offeror, including compliance by an Authorised Offeror with applicable conduct of business rules or other local regulatory requirements or other securities law requirements in relation to such offer.

The consent referred to above relates to Offer Periods (if any) ending no later than the date falling 12 months from the date of the approval of this Base Prospectus by the AMF.

In the event the relevant Final Terms designate Authorised Offeror(s) to whom the Issuer has given its consent to use the Prospectus during an Offer Period, the Issuer may also give consent to additional financial intermediary(ies) (each also an “**Authorised Offeror**”) after the date of the relevant Final Terms and, if it does so, it will publish any new information in relation to such Authorised Offerors who are unknown at the time of the approval of this Base Prospectus or the filing of the relevant Final Terms at <http://www.afd.fr>.

If the Final Terms specify that any Authorised Offeror may use the Prospectus during the Offer Period, any such Authorised Offeror is required, for the duration of the relevant Offer Period, to publish on its website that it is using the Prospectus for the relevant Public Offer with the consent of the Issuer and in accordance with the conditions attached thereto.

Other than as set out above, neither the Issuer nor any of the Dealers has authorised the making of any Public Offer by any person in any circumstances and such person is not permitted to use the Prospectus in connection with its offer of any Notes. Any such offers are not made on behalf of the Issuer or by any of the Dealers or Authorised Offerors and none of the Issuer or any of the Dealers or Authorised Offerors has any responsibility or liability for the actions of any person making such offers.

An Investor intending to acquire or acquiring any Notes from an Authorised Offeror will do so, and offers and sales of the Notes to an Investor by an Authorised Offeror will be made, in accordance with any terms and other arrangements in place between such Authorised Offeror and such Investor including as to price allocations and settlement arrangements (the “Terms and Conditions of the Public Offer”). The Issuer will not be a party to any such arrangements with Investors (other than Dealers) in connection with the offer or sale of the Notes and, accordingly, this Base Prospectus and any Final Terms will not contain such information. The Terms and Conditions of the Public Offer shall be provided to Investors by that Authorised Offeror at the time of the Public Offer. Neither the Issuer nor any of the Dealers or other Authorised Offerors has any responsibility or liability for such information.

Si les Conditions Définitives le prévoient, tout paiement relatif aux Titres d'une quelconque Souche (les « **Titres Garantis** ») pourra être garanti sans condition et irrévocablement par la République Française.

Rang de créance des Titres

Les Titres constitueront des engagements non subordonnés et non assortis de sûretés de l'Emetteur.

Maintien de l'emprunt à son rang

Tant que des Titres, des reçus ou coupons seront en circulation, l'Emetteur ne constituera pas de sûreté réelle (y compris hypothèque, gage, nantissement ou autre engagement) sur tout ou partie de ses actifs ou revenus, présents ou futurs, aux fins de garantir toute dette d'emprunt représentée par des obligations ou autres titres de créance négociables émis par l'Emetteur ou toute garantie d'une telle dette d'emprunt d'une filiale ou d'un affilié de l'Emetteur à moins qu'il ne soit constitué au bénéfice des Porteurs de Titres, reçus ou coupons une sûreté équivalente et de même rang. Afin d'éviter toute ambiguïté, une dette d'emprunt concernée ne comprend pas les dettes de sommes d'argent contractées dans le cadre de contrats de prêts ou de facilités de crédit.

Défaut croisé

Les Titres détenus par le porteur de tout Titre pourront devenir exigibles à leur montant nominal majoré des intérêts courus si une dette d'une somme d'argent, égale ou supérieure à 100 millions d'euros (ou son équivalent en toute autre devise), empruntée par l'Emetteur devient exigible avant sa date contractuelle d'échéance en raison d'un cas de défaut, ou des mesures sont prises afin de mettre en œuvre une sûreté relative à une telle dette, ou une telle dette n'est pas payée par l'Emetteur à sa date contractuelle d'échéance ou, le cas échéant, à l'expiration de tout délai de grâce applicable, ou l'Emetteur manque à son obligation de payer à la date contractuelle d'échéance tout montant payable par lui au titre de toute garantie.

Autres Cas de Défaut

En outre, les Titres seront exigibles et payables à leur montant nominal majoré des intérêts courus suite à la survenance d'un cas de défaut relatif aux Titres. Les cas de défaut relatifs aux Titres incluent outre un défaut croisé (détaillé ci-dessus), un défaut de paiement des intérêts, un manquement de l'Emetteur relatif à l'une quelconque de ses obligations relatives aux Titres et certains cas de défaut additionnels affectant l'Emetteur.

Fiscalité

Tous les paiements de principal et d'intérêts effectués par ou pour le compte de l'Emetteur au titre des Titres devront l'être nets de toute retenue à la source ou prélèvement, de toutes taxes, droits, impôts ou prélèvements de toute nature, imposés, levés, collectés ou retenus à la source par ou pour le compte de la République Française ou de toute autorité de cet Etat ayant le pouvoir de lever l'impôt, à moins que cette retenue à la source ou ce prélèvement ne soit exigé par la loi.

Si une telle retenue ou déduction devait être effectuée, l'Emetteur serait tenu de majorer ses paiements dans la pleine mesure de ce que la loi autorise et sous réserve de certaines exceptions. Tous paiements de principal, d'intérêts et d'autres produits effectués par ou pour le compte de l'Emetteur se rapportant aux Titres pourront être sujets à une retenue à la source ou à une déduction imposée au titre de la Foreign Account Tax

Les périodes d'intérêts seront précisées dans les Conditions Définitives applicables.

Titres à Coupon Zéro

Les Titres à Coupon Zéro seront émis à leur valeur nominale ou à un prix différent du pair et ne porteront pas intérêt.

Echéances

Sous réserve du respect de toutes lois, réglementations et directives applicables, les Titres auront une échéance minimale de 7 jours, à compter de la date d'émission, tel que spécifiée dans les Conditions Définitives concernées.

Remboursement

Les Conditions Définitives concernées indiqueront la base de calcul des montants de remboursement des Titres. Sauf si cela est permis par les lois et règlements actuellement en vigueur, les Titres (en ce compris les Titres libellés en Sterling) qui ont une maturité inférieure à un an et pour lesquels les produits de l'émission ont vocation à être acceptés par l'Emetteur au Royaume-Uni ou dont l'émission constitue une contravention à la section 19 du Financial Services and Markets Act de 2000 auront une valeur de remboursement minimale de £100 000 (ou son équivalent dans une autre devise).

Remboursement Optionnel

Les Conditions Définitives préparées à l'occasion de chaque émission de Titres indiqueront si de tels Titres peuvent être remboursés avant leur date d'échéance prévue au gré de l'Emetteur (en totalité ou en partie) et/ou des Porteurs de Titres et, le cas échéant, les conditions applicables à un tel remboursement.

Remboursement en plusieurs versements

Les Conditions Définitives préparées à l'occasion de chaque émission de Titres qui sont amortissables en deux versements ou plus stipuleront les dates et les montants auxquels ces Titres sont amortissables.

Remboursement anticipé

Sous réserve de ce qui est prévu dans le paragraphe « **Remboursement Optionnel** » ci-dessus, les Titres ne pourront être remboursables à l'option de, ou dans certaines circonstances par, l'Emetteur avant la date d'échéance prévue que pour des raisons fiscales.

Rendement

Les Conditions Définitives de chaque émission de Titres à Taux Fixe préciseront le rendement des Titres.

Assemblées des Porteurs de Titres

Les modalités des Titres contiennent des stipulations relatives aux convocations des assemblées des Porteurs de Titres réunis pour discuter des questions affectant leurs intérêts de manière générale. Ces stipulations permettent à des majorités définies d'engager tous les porteurs, y compris les porteurs qui étaient absents ou se sont abstenus du vote lors des assemblées concernées et les porteurs qui ont voté dans

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

Factors which the Issuer believes may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme but the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should however read the detailed information set out elsewhere in this Base Prospectus (including any documents deemed to be incorporated by reference herein) and reach their own views prior to making any investment decision.

Words and expressions defined in the other sections of this Base Prospectus shall have the same meaning in this section.

1. RISK FACTORS RELATING TO THE ISSUER

AFD's activities focus mainly on the financing of development projects in foreign countries and in the French Overseas Territories. The various risks associated with this financial activity and with the countries of operation must be strictly monitored.

These various risk factors are therefore monitored and managed according to the nature of the risk and according to the geographical region concerned. Please note that, although monitored and managed, the risks described below and those corresponding to the classification provided for by Article 4 of Regulation CRBF 97-02 cannot be totally eliminated:

- Credit risks (for further information please refer to clause 4.2.4.1 of the 2014 Registration Document incorporated by reference on page 40 of this Base Prospectus and to the table on page 13 of the 2014 Registration Document for a description of the countries where the Issuer operates);
- Global interest rate, exchange rate, liquidity and market risks (for further information please refer to clauses 4.2.4.2 and 4.3.2 of the 2014 Registration Document incorporated by reference on page 40 of this Base Prospectus);
- Operational risks (payment risks, legal risks, non-compliance risks, insurance - cover of AFD's potential risks, risks associated with management tools, IT-related risks, tax risks and other operational risks) (for further information please refer to clauses 4.2.4.3 and 4.3.5 of the 2014 Registration Document incorporated by reference on page 40 of this Base Prospectus).

For a full description of the risk factors and risk management issues relating to the Issuer, please refer to pages 76 to 92 and pages 135 to 140 of the 2014 Registration Document incorporated by reference on page 42 of this Base Prospectus.

2. RISK FACTORS RELATING TO THE NOTES

The Notes may not be a suitable investment for all investors

Each potential purchaser in any Notes must determine the suitability of that purchase in light of its own circumstances. In particular, each potential purchaser should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of purchasing the Notes and the information contained or incorporated by reference in this Base Prospectus or in any applicable supplement;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact of the purchase of the Notes will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes where the currency for the principal or interest payments is different from the potential purchaser's currency;

- (d) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

A potential investor should not invest in Notes unless it has the expertise (either alone or with the help of a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of such Notes and the impact this investment will have on the potential investor's overall investment portfolio.

The trading market for debt securities may be volatile and may be adversely impacted by many events

The market for debt securities issued by issuers is influenced by economic and market conditions and, to varying degrees, rates of interest, currency exchange rates and inflation rates in other European and other industrialised countries. There can be no assurance that events in France, Europe or elsewhere will not cause market volatility or that such volatility will not adversely affect the price of Notes or that economic and market conditions will not have any other adverse effect.

An active trading market for the Notes may not develop

There can be no assurance that an active trading market for the Notes will develop, or, if one does develop, that it will be maintained. If an active trading market for the Notes does not develop or is not maintained, the market or trading price and liquidity of the Notes may be adversely affected. The Issuer is entitled to buy the Notes, as described in Condition 7(f), and the Issuer may issue further notes, as described in Condition 14. Such transactions may favourably or adversely affect the price development of the Notes. If additional and competing products are introduced in the markets, this may adversely affect the value of the Notes.

Notes may be traded in amounts in excess of the minimum Specified Denomination that are not integral multiples of the minimum Specified Denomination

In relation to any issue of Notes which have a denomination consisting of the minimum Specified Denomination plus a higher integral multiple of another smaller amount, it is possible that the Notes may be traded in amounts in excess of the minimum Specified Denomination that are not integral multiples of the minimum Specified Denomination. In such a case a Noteholder who, as a result of trading such amounts, holds a principal amount of less than the minimum Specified Denomination will not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that it holds an amount equal to one or more Specified Denominations.

If such Notes in definitive form are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

The Notes may be redeemed prior to maturity

Unless in the case of any particular Tranche of Notes the relevant Final Terms specify otherwise, in the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the jurisdiction of the Issuer or a political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with the Conditions.

Any early redemption at the option of the Issuer, if provided for in any Final Terms for a particular issue of Notes, could cause the yield actually received by Noteholders to be considerably less than anticipated

The Final Terms for a particular issue of Notes may provide for early redemption at the option of the Issuer. Such right of termination is often provided for bonds or notes in periods of high rates of interest. If the market rates of interest decrease, the risk to Noteholders that the Issuer will exercise its right of termination increases. As a consequence, the yields received upon redemption may be lower than expected, and the redeemed face amount of the Notes may be lower than the purchase price for the Notes paid by the Noteholder. As a consequence, part of the capital invested by the Noteholder may be lost, so that the Noteholder in such case would not receive the total amount of the capital invested. In addition, investors that choose to reinvest monies they receive through an early redemption may be able to do so only in securities with a lower yield than the redeemed Notes.

A partial redemption at the option of the Issuer or a redemption at the option of the Noteholders may affect the liquidity of the Notes of the same Series in respect of which such option is not exercised

Depending on the number of Notes of the same Series in respect of which a partial redemption of the Notes at the option of the Noteholders or at the option of the Issuer is made, any trading market in respect of those Notes in respect of which such option is not exercised may become illiquid.

Change in value of Fixed Rate Notes

Investors in Fixed Rate Notes are exposed to the risk that changes in interest rates or in the rate of inflation may adversely affect the value of the Notes. Generally, prices of fixed interest rate bonds tend to fall when market interest rates rise.

Investors will not be able to calculate in advance their rate of return on Floating Rate Notes

A key difference between Floating Rate Notes and Fixed Rate Notes is that interest income on Floating Rate Notes cannot be anticipated. Due to varying interest income, investors are not able to determine a definite yield of Floating Rate Notes at the time they purchase them, so that their return on investment cannot be compared with that of investments having longer fixed interest periods. If the terms and conditions of the Notes provide for frequent interest payment dates, investors are exposed to the reinvestment risk if market rates of interest decline. That is, investors may reinvest the interest income paid to them only at the relevant lower rates of interest then prevailing.

Fixed to Floating Rate Notes

Fixed to floating rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the fixed to floating rate Notes may be less favourable than then prevailing spreads on comparable floating rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Zero Coupon Notes are subject to higher price fluctuations than non-discounted bonds

Changes in market rates of interest have a substantially stronger impact on the prices of Zero Coupon Notes than on the prices of ordinary Notes because the discounted issue prices are substantially below par. If market rates of interest increase, Zero Coupon Notes can suffer higher price losses than other Notes having the same maturity and credit rating. Due to their leverage effect, Zero Coupon Notes are a type of investment associated with a particularly high price risk.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Potential Conflicts of Interest

Potential conflicts of interest may arise between the calculation agent, if any, for a Tranche of Notes and the Noteholders, including conflicts which may arise as a result of certain discretionary determinations and judgements that such calculation agent may make pursuant to the Terms and Conditions, the outcome of which may affect the amount receivable by the Noteholders upon redemption of the Notes.

Modification

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed in this section, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time. In addition, as the Issuer is currently wholly-owned and controlled by the French State, a rating downgrade of the Republic of France may lead to a rating downgrade of the Issuer and/or the Programme.

Change of law

The terms and conditions of the Notes are based on English law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change in English law or the official application or interpretation of English law after the date of this Base Prospectus.

Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the Notes. Potential investors are advised not to rely upon the tax summary contained in this Base Prospectus and/or in the Final Terms but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus and the additional tax sections, if any, contained in the relevant Final Terms.

In certain circumstances the Notes may be subject to U.S. withholding tax under FATCA

Pursuant to the foreign account tax compliance provisions of the U.S. Hiring Incentives to Restore Employment Act of 2010 ("**FATCA**"), the Issuer and other non-U.S. financial institutions through which payments on the Notes are made may be required to withhold U.S. tax at a rate of 30 per cent. on all, or a portion of, payments made after 31 December 2016 in respect of (i) any Notes issued or materially modified on or after the later of (a) 1 January 2014 and (b) the date that is six months after the date on which the final regulations applicable to "foreign passthru payments" are filed in the Federal Register and (ii) any Notes which are treated as equity for U.S. federal tax purposes, whenever issued. Under existing guidance, this withholding tax may be triggered on payments of the Notes if (i) the Issuer is a foreign financial institution ("**FFI**") (as defined in FATCA) which enters into and complies with an agreement with the U.S. Internal Revenue Service ("**IRS**") to provide certain information on its account holders (making the Issuer a "**Participating FFI**"), (ii) the Issuer is required to withhold on "foreign passthru payments", and (iii)(a) an investor does not provide information sufficient for the relevant Participating FFI to determine whether the investor is subject to withholding under FATCA, or (b) any FFI through which payment on such Notes is made is not a Participating FFI or otherwise exempt from FATCA withholding.

The application of FATCA to interest, principal or other amounts paid with respect to the Notes is not clear. If an amount in respect of U.S. withholding tax were to be deducted or withheld from interest, principal or other payments on the Notes as a result of FATCA, none of the Issuer, any paying agent or any other person would, pursuant to the Terms and Conditions of the Notes, be required to pay additional amounts as a result of the deduction or withholding. As a result, investors may receive less interest or principal than expected.

The application of FATCA to Notes issued or materially modified on or after the later of (a) 1 January 2014 and (b) the date falling six months after the date on which the final regulations applicable to "foreign passthru payments" are filed in the Federal Register (or whenever issued, in the case of Notes treated as equity for U.S. federal tax purposes) may be addressed in a supplement to this Base Prospectus.

FATCA IS PARTICULARLY COMPLEX AND ITS APPLICATION TO THE ISSUER, THE NOTES AND THE HOLDERS IS UNCERTAIN AT THIS TIME. EACH HOLDER OF NOTES SHOULD CONSULT ITS

OWN TAX ADVISER TO OBTAIN A MORE DETAILED EXPLANATION OF FATCA AND TO LEARN HOW THIS LEGISLATION MIGHT AFFECT EACH HOLDER IN ITS PARTICULAR CIRCUMSTANCE.

EU Savings Directive

The EC Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments (the "**EU Savings Directive**") requires each EU Member State as from 1 July 2005 to provide to the tax authorities of another Member State details of payments of interest and other similar income (within the meaning of the EU Savings Directive) made by a paying agent (within the meaning of the EU Savings Directive) within its jurisdiction to, or collected by such paying agent for, an individual resident or certain types of entity (as defined in the article 4.2 of the EU Savings Directive) established in that other Member State. However, Austria may instead impose a withholding system for a transitional period unless the beneficiary of interest payment elects for one of the two information exchange procedures available. The rate of such withholding tax equals thirty-five (35) per cent. until the end of the transitional period (see "Taxation - EU Savings Directive").

On 24 March 2014, the Council of the European Union adopted EU Council Directive 2014/48/EU amending and broadening the scope of the requirements described above (the "**Amending Directive**"). The changes will expand the range of payments covered by the EU Savings Directive, in particular to include additional types of income payable on securities. The EU Savings Directive will also apply a "look through approach" to certain payments where an individual resident in a EU Member State is regarded as the beneficial owner of that payment for the purposes of the EU Savings Directive. This approach may apply to payments made to or by, or secured for or by, persons, entities or legal arrangements (including trusts), where certain conditions are satisfied, and may in some cases apply where the person, entity or arrangement is established or effectively managed outside of the European Union. Member States are required to adopt and publish by 1 January 2016, laws and regulations necessary to comply with the Amending Directive and apply these new requirements from 1 January 2017.

However, the European Commission has proposed the repeal of the Savings Directive from 1 January 2017 in the case of Austria and from 1 January 2016 in the case of all other EU Member States (subject to on-going requirements to fulfil administrative obligations such as the reporting and exchange of information relating to, and accounting for withholding taxes on, payments made before those dates). This is to prevent overlap between the Savings Directive and a new automatic exchange of information regime to be implemented under EU Council Directive 2011/16/EU on Administrative Cooperation in the field of Taxation (as amended by EU Council Directive 2014/107/EU). The proposal also provides that, if it proceeds, EU Member States will not be required to apply the new requirements of the Amending Directive.

If a payment were to be made or collected through a EU Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax.

For the purpose of this section, the term "**paying agent**" is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the EU Savings Directive, for the immediate benefit of beneficial owners.

Investors should inform themselves of, and, where appropriate, take advice on the impact of the EU Savings Directive on their investment.

Please refer to the section "EU Taxation" of the taxation section of this Base Prospectus for further details on the withholding under the EU Savings Directive.

The proposed financial transactions tax

On 14 February 2013, the European Commission published a proposal (the "**Proposed Directive**") for a Directive for a common financial transactions tax (the "**FTT**") in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the "**participating EU Member States**").

The Proposed Directive has very broad scope and could, if introduced, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances. The issuance and subscription of Notes should, however, be exempt.

Under the Proposed Directive the FTT could apply in certain circumstances to persons both within and outside of the participating EU Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is established in a participating EU Member State. A financial institution may be, or be deemed to be, "established" in a participating EU

Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating EU Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating EU Member State.

Joint statements issued by participating EU Member States indicate an intention to implement the FTT by 1 January 2016.

The FTT proposal remains subject to negotiation between the participating EU Member States and the scope of any such taxation. Additional EU Member States may decide to participate.

Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion in accordance with the provisions of Part A of the relevant Final Terms, shall be applicable to the Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Series. In the case of any Tranche of Notes which are being (a) offered to the public in a Member State (other than pursuant to one or more of the exemptions set out in article 3.2 of the Prospectus Directive) or (b) admitted to trading on a regulated market in a Member State, the relevant Final Terms shall not amend or replace any information in this Base Prospectus. The full text of these terms and conditions together with the relevant provisions of Part A of the Final Terms (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on the Certificates relating to such Registered Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in Part A of the relevant Final Terms. Those definitions will be endorsed on the definitive Notes or Certificates, as the case may be. The fiscal agent, the paying agents, the registrar, the transfer agents, the calculation agent(s) for the time being, and the redenomination agent and the consolidation agent (if any) are referred to below respectively as the “**Fiscal Agent**”, the “**Paying Agents**” (which expression shall include the Fiscal Agent), the “**Registrar**”, the “**Transfer Agents**” and the “**Calculation Agent(s)**”, the “**Redenomination Agent**” and the “**Consolidation Agent**”. The Noteholders (as defined below), the holders of the interest coupons (the “**Coupons**”) appertaining to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “**Talons**”) (the “**Couponholders**”) and the holders of the receipts for the payment of instalments of principal (the “**Receipts**”) relating to Notes in bearer form of which the principal is payable in instalments are deemed to have notice of all of the provisions of the Agency Agreement applicable to them.

1 Form, Denomination, Title and Redenomination

(a) Form and Denomination

The Notes are issued in bearer form (“**Bearer Notes**”) or in registered form (“**Registered Notes**”) in each case in the Specified Denomination(s) shown in the Final Terms.

All Registered Notes shall have the same Specified Denomination.

The Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Instalment Note, a combination of any of the foregoing or any other kind of Note, depending upon the Interest and Redemption Basis shown in the Final Terms. Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered certificates (“**Certificates**”) and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

(b) Title

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the "**Register**"). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, "**Noteholder**" means the bearer of any Bearer Note and the Receipts relating to it or the person in whose name a Registered Note is registered (as the case may be), "**holder**" (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them in the Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

(c) Redenomination

- (i) The Issuer may (if so specified in the relevant Final Terms), on any Interest Payment Date, without the consent of the holder of any Note, Receipt, Coupon or Talon, by giving at least 30 days' notice in accordance with Condition 15 and on or after the date on which the European Member State in whose national currency the Notes are denominated has become a participating EU Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the "**EC**"), as amended from time to time (the "**Treaty**")) or events have occurred which have substantially the same effects (in either case, "**EMU**"), redenominate all, but not some only, of the Notes of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the "**Redenomination Date**".
- (ii) The redenomination of the Notes pursuant to Condition 1(c)(i) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to applicable regulations and rounding the resultant figure to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to Noteholders in accordance with Condition 15. Any balance remaining from the redenomination with a denomination higher than Euro 0.01 shall be paid by way of cash adjustment rounded to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). Such cash adjustment will be payable in Euro on the Redenomination Date in the manner notified to Noteholders by the Issuer.
- (iii) Upon redenomination of the Notes, any reference in the relevant Final Terms to the relevant national currency shall be construed as a reference to Euro.
- (iv) The Issuer may, with the prior approval of the Redenomination Agent and the Consolidation Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 14, without the consent of the holder of any Note, Receipt, Coupon or Talon, make any changes or additions to these Conditions or Condition 14 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. Any such changes or additions shall,

in the absence of manifest error, be binding on the holders of Notes, Receipts, Coupons and Talons and shall be notified to Noteholders in accordance with Condition 15 as soon as practicable thereafter.

- (v) Neither the Issuer nor any Paying Agent shall be liable to the holder of any Note, Receipt, Coupon or Talon or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euro or any currency conversion or rounding effected in connection therewith.

2 Transfers of Registered Notes

(a) *Transfer of Registered Notes*

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor.

(b) *Exercise of Options or Partial Redemption in respect of Registered Notes*

In the case of an exercise of an Issuer's or Noteholders' option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option and/or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(c) *Delivery of New Certificates*

Each new Certificate to be issued pursuant to Conditions 2(a) or (b) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer or Exercise Notice or surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent (as defined in the Agency Agreement) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition (d), "**business day**" means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(d) *Exchange Free of Charge*

Exchange and transfer of Notes and Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge to Noteholders by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(e) Closed Periods

No Noteholder may require the transfer of a Registered Note to be registered for one or more Registered Note(s) (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 7(d), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date.

3 Status of Notes

Notes and the Receipts and Coupons relating to them constitute (subject to Condition 4) unsecured and unsubordinated obligations of the Issuer and rank *pari passu* and rateably without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) equally with all other present or future unsecured and unsubordinated indebtedness of the Issuer.

4 Negative Pledge

So long as any of the Notes, Receipts or Coupons remains outstanding, the Issuer will not create any security interest (which includes any mortgage, pledge, lien or other encumbrance) over the whole or any part of its present or future assets or revenues to secure any indebtedness represented by bonds, notes, debentures or other debt securities (*obligations* or *titres de créance négociables*) issued by the Issuer or any guarantee of any such indebtedness of any of the Issuer's subsidiaries and affiliates, without at the same time according to the outstanding Notes, Receipts and Coupons the same security interest on a *pari passu* basis. For the avoidance of doubt, such indebtedness does not include indebtedness for borrowed monies arising under loan agreements or credit facility agreements.

5 Guarantee

If so specified in the relevant Final Terms, the due payment of all sums expressed to be payable by the Issuer under the Notes of such Series and the Receipts and Coupons relating to them may be unconditionally and irrevocably guaranteed by the Republic of France (the "**Guarantor**") ("**Guaranteed Notes**") and such Guarantee would be specified in the relevant Final Terms (the "**Guarantee**").

Details of the form which the guarantee would take have not been determined as at the date of the Base Prospectus dated 12 June 2015 relating to the Notes.

The Guarantee, if applicable, in respect of such Series of Notes would constitute a direct and unconditional obligation of the Republic of France.

6 Interest and other Calculations

(a) Rate of Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest, in accordance with Condition 6(g), on its outstanding principal amount from and including the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date.

If a Fixed Coupon Amount or a Broken Amount is specified in the Final Terms, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will be payable on the particular Interest Payment Date(s) specified in the Final Terms.

(b) Rate of Interest on Floating Rate Notes

(i) Interest Payment Dates

Each Floating Rate Note bears interest on its outstanding nominal amount from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being

payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 6(g). Such Interest Payment Date(s) is/are either shown in the Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown in the Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period shown in the Final Terms as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) Business Day Convention

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (i) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such date shall be brought forward to the immediately preceding Business Day and (B) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (ii) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (iii) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (iv) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) Rate of Interest for Floating Rate Notes

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in the Final Terms and the provisions below relating to either ISDA Determination, FBF Determination or Screen Rate Determination shall apply, depending upon which is specified in the Final Terms.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified in the Final Terms
- (y) the Designated Maturity is a period specified in the Final Terms and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the Final Terms.

For the purposes of this sub-paragraph (A), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

(B) FBF Determination for Floating Rate Notes

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the

Calculation Agent as a rate equal to the relevant FBF Rate. For the purposes of this sub-paragraph (B), “**FBF Rate**” for an

Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Transaction under the terms of an agreement incorporating the FBF Definitions and under which:

- (x) the Floating Rate is as specified in the relevant Final Terms; and
- (y) the relevant Floating Rate Determination Date (*Date de Détermination du Taux Variable*) is the first day of that Interest Accrual Period unless otherwise specified in the relevant Final Terms.

For the purposes of this sub-paragraph (B), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Determination Date** (*Date de Détermination du Taux Variable*)”, “**Designated Maturity**”, “**Reset Date**” and “**Transaction**” have the meanings given to those terms in the FBF Definitions, provided that “**Euribor**” means the rate calculated for deposits in Euro which appears on the Reuters screen page EURIBOR01.

(C) Screen Rate Determination for Floating Rate Notes

- (i) Where Screen Rate Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either (as specified in the Final Terms):

- (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

- (ii) if the Relevant Screen Page is not available or, if sub-paragraph (C)(1) applies and no such offered quotation appears on the Relevant Screen Page or, if sub-paragraph (C)(2) applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such

Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and

- (iii) if paragraph (w) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).
- (iv) *Alternative Reference Rates:* If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the relevant Final Terms as being other than LIBOR or EURIBOR, the relevant Final Terms may specify that the Rate of Interest in respect of such Notes will be determined in accordance with the foregoing procedures in paragraphs (v), (w) and (x) of Condition 6(b)(iii)(C), save that references to the relevant Reference Rate, the time at which such Reference Rate shall be observed on the Relevant Screen Page and the location of the Reference Banks shall be amended as may be specified in the relevant Final Terms.

(v) *Alternative fallback provisions:* If so specified in the relevant Final Terms, the fallback provisions set out in paragraph (A) or (B) below shall be applicable and in each case, the provisions of paragraphs (w) and (x) of Condition 6(b)(iii)(C) above shall not apply:

(A) If the Relevant Screen Page is not available or, if sub-paragraph (v)(1) applies and no such offered quotation appears on the Relevant ScreenPage, or, if sub-paragraph (v)(2) applies and fewer than three such offered quotations appear on the Relevant Screen Page, in each case as at the time specified above, the Calculation Agent shall determine the relevant Reference Rate for that date in its sole discretion, taking into consideration all available information that it in good faith deems appropriate; or

(B) If the Relevant Screen Page is not available or, if sub-paragraph (v)(1) applies and no such offered quotation appears on the Relevant Screen Page, or, if sub-paragraph (v)(2) applies and fewer than three such offered quotations appear on the Relevant Screen Page, in each case as at the time specified above, the Calculation Agent will request the principal office of five major banks who will provide quotations for such rate using such rate as may be specified in the relevant Final Terms or selected by the Calculation Agent. If five quotations are provided, the rate will be calculated by eliminating the highest (or, in the event of equality, one of the highest) and lowest (or, in the event of equality, one of the lowest) quotations and taking the arithmetic mean of the remaining quotations. If at least three, but fewer than five, quotations are provided, the rate will be the arithmetic mean of the quotations obtained. If fewer than three quotations are provided as requested, the rate will be determined by the Calculation Agent in good faith and in a commercially reasonable manner.

(c) Zero Coupon Notes

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 7(b) (i) (B)).

(d) Fixed/Floating Rate Notes

Fixed/Floating Notes may bear interest at a rate (i) that the Issuer may elect to convert on the date set out in the Final Terms from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate or (ii) that will automatically change from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate at the date set out in the Final Terms.

(e) Accrual of Interest

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment of principal is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 6 to the Relevant Date (as defined in Condition 9).

(f) Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding

- (i) If any Margin is specified in the Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (b)(iii) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin subject always to the next paragraph
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be
- (iii) For the purposes of any calculations required pursuant to these Conditions, (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (0.00001) (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country or countries of such currency.

(g) Calculations

The amount of interest payable per Calculation Amount (as specified in the Final Terms) in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified in the Final Terms and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount is applicable to such Interest Accrual Period in the relevant Final Terms, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the Interest Amounts payable per Calculation Amount in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

(h) Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts

The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quote or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quote or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules applicable to such exchange so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 6(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and

payable under Condition 11, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(i) **Definitions**

In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

“Business Day” means:

- (i) in the case of a currency other than Euro, a day (other than a Saturday or Sunday) on which principal commercial banks and foreign exchange markets settle payments in the principal financial centre for that currency and/or
- (ii) in the case of Euro, a day on which the TARGET System is operating (a **“TARGET Business Day”**) and/or
- (iii) in the case of a Specified Currency and/or one or more business centres specified in the Final Terms (the **“Business Centres”**), a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments in the Specified Currency in the Business Centre(s) or, if no currency is specified, generally in each of the Business Centres so specified.

“Day Count Fraction” means, in respect of the calculation of an amount of interest on any Note for any period of time (from and including the first day of such period to but excluding the last) (whether or not constituting an Interest Period or an Interest Accrual Period, the **“Calculation Period”**):

- (i) if **“Actual/Actual”** or **“Actual/Actual - ISDA”** is specified in the Final Terms, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365)
- (ii) if **“Actual/365 - FBF”** is specified in the relevant Final Terms, the fraction whose numerator is the actual number of days elapsed during the Calculation Period and whose denominator is 365. If part of that Calculation Period falls in a leap year, Actual/365 - FBF shall mean the sum of (i) the fraction whose numerator is the actual number of days elapsed during the non-leap year and whose denominator is 365 and (ii) the fraction whose numerator is the number of actual days elapsed during the leap year and whose denominator is 366
- (iii) if **“Actual/Actual - FBF”** is specified in the relevant Final Terms in respect of each calculation, the fraction whose numerator is the actual number of days elapsed during such period and whose denominator is 365 (or 366 if 29 February falls within the Calculation Period)

- (vi) if **“30/360”**, **“360/360”** or **“Bond Basis”** is specified in the Final Terms, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + 30 \times (M_2 - M_1) + (D_2 - D_1)}{360}$$

where:

“**Y₁**” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“**Y₂**” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**M₁**” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“**M₂**” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**D₁**” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D-1 will be 30; and

“**D₂**” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and D-i is greater than 29, in which case D₂ will be 30.

- (vii) if “**30E/360**” or “**Eurobond Basis**” is specified in the Final Terms, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + 30 \times (M_2 - M_1) + (D_2 - D_1)}{360}$$

where:

“**Y₁**” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“**Y₂**” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**M₁**” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“**M₂**” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**D₁**” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D1 will be 30; and

“**D₂**” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D₂ will be 30.

- (viii) if “**30E/360 (ISDA)**” is specified hereon, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + 30 \times (M_2 - M_1) + (D_2 - D_1)}{360}$$

7 Redemption, Purchase and Options

(a) *Redemption by Instalments and Final Redemption*

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 7, each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the Final Terms. The outstanding principal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the principal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (ii) Unless previously redeemed, purchased and cancelled as provided below, each Note shall be finally redeemed on the Maturity Date specified in the Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its principal amount) or, in the case of a Note falling within paragraph (i) above, its final Instalment Amount.

 - (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the Final Terms, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
 - (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 7(c) or upon it becoming due and payable as provided in Condition 11 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (ii) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note together with any interest that may accrue in accordance with Condition 6(e).

(d) *Redemption at the Option of the Issuer*

If so provided in the Final Terms, the Issuer may, on giving irrevocable notice to the Noteholders falling within the Call Option Notice Period, redeem all or, if so provided, some of the Notes in the principal amount or integral multiples thereof and on any Optional Redemption Date. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

(b) Modification of Agency Agreement

The Issuer shall only permit any modification of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement, if to do so could not reasonably be expected to be prejudicial to the interests of the Noteholders.

13 Replacement of Notes, Certificates, Receipts, Coupons and Talons

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations, at the specified office of the Paying Agent in Luxembourg (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

14 Further Issues and Consolidation

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes having the same terms and conditions as the Notes (so that, for the avoidance of doubt, references in the conditions of such notes to "Issue Date" shall be to the first issue date of the Notes) and so that the same shall be consolidated and form a single series with such Notes, and references in these Conditions to "Notes" shall be construed accordingly.

The Issuer may from time to time on any Interest Payment Date occurring on or after the date specified for a redenomination of the Notes pursuant to Condition 1(c), on giving not less than 30 days' prior notice to the Noteholders in accordance with Condition 15, without the consent of the Noteholders or the Couponholders, consolidate the Notes with one or more issues of other notes issued by it, whether or not originally issued in one of the European national currencies or in Euro, provided such other notes have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.

With effect from their consolidation, the Notes and the Notes of such other Series will (if listed prior to such consolidation) be listed on at least one European stock exchange on which either such Notes or the Notes of such other Series were listed immediately prior to consolidation.

The Issuer shall in dealing with the holders of such Notes following a consolidation pursuant to this Condition 14 have regard to the interests of the holders and the holders of the Notes of such other Series, taken together as a class, and shall treat them alike.

15 Notices

Notices to the holders of Registered Notes will be valid if sent by mail to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*) and so long as the Notes are listed on Euronext Paris and the rules applicable to that exchange so require, in a daily newspaper with general circulation in Paris (which is expected to be *Les Echos*) and/or in accordance with Articles 221-3 and 221-4 of the *Règlement Général* of the Autorité des marchés financiers. If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

16 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999 except and to the extent (if any) that the Notes expressly provide for such Act to apply to any of their terms.

17 Governing Law and Jurisdiction

(a) Governing Law

The Notes, the Receipts, the Coupons, the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law. The Guarantee, if any, shall be governed by French law.

(b) Jurisdiction

The Courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with any Notes, Receipts, Coupons or Talons (including a dispute relating to any noncontractual obligations arising therefrom or in connection therewith) and accordingly any legal action or proceedings arising out of or in connection with any Notes, Receipts, Coupons or Talons ("**Proceedings**") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of the Courts of England and waives any objection to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the holders of the Notes, Receipts, Coupons and Talons and shall not affect the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

(c) Service of Process

The Issuer irrevocably appoints The Law Debenture Corporate Services Limited of Fifth Floor, 100 Wood Street, London EC2V 7EX as its agent in England to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not, it is forwarded to and received by the Issuer). If for any reason such process agent ceases to be able to act as such or no longer has an address in London, the Issuer irrevocably agrees to appoint a substitute process agent and shall immediately notify Noteholders of such appointment in accordance with Condition 15. Nothing shall affect the right to serve process in any manner permitted by law.

(d) Immunity from Attachment

The assets and properties of the Issuer cannot be subject to any attachment or other enforcement proceedings in the Republic of France.

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

Initial Issue of Notes

If the Global Notes or Global Certificates are stated in the applicable Final Terms to be issued in NGN form or under the NSS they may be intended to be eligible collateral for Eurosystem monetary policy and the Global Notes or, as the case may be, the Global Certificates will be deposited on or prior to the original issue date of the Tranche with a Common Safekeeper and, in the case of the Global Certificate, registered in the name of a nominee of the Common Safekeeper. Depositing the Global Notes or the Global Certificates with the Common Safekeeper does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue, or at any or all times during their life. Such recognition will depend upon satisfaction of the Eurosystem eligibility criteria.

Global Notes which are issued in CGN form and Global Certificates not issued under the NSS may be delivered on or prior to the original issue date of the Tranche to a Common Depository.

If the Global Note is a CGN or the Global Certificate is not issued under the NSS, upon the initial deposit of a Global Note with a common depository for Euroclear, Clearstream, Luxembourg and/or Euroclear France (the “**Common Depository**”), or, as the case may be, registration of Registered Notes in the name of any nominee for Euroclear, Clearstream, Luxembourg and/or Euroclear France and delivery of the relative Global Certificate to the Common Depository, Euroclear or Clearstream, Luxembourg will credit each subscriber with a principal amount of Notes equal to the principal amount thereof for which it has subscribed and paid.

If the Global Note is a CGN or the Global Certificate is not issued under the NSS, upon the initial deposit of a Global Note with, or, as the case may be, registration of Registered Notes in the name of, or any nominee for, and delivery of the relative Global Certificate to, Euroclear France (including where Euroclear France is acting as central depository), the “*intermédiaires financiers*” (French banks or brokers authorised to maintain securities accounts on behalf of their clients (each an “**Approved Intermediary**”)) who are entitled to such Notes according to the records of Euroclear France will credit each subscriber with a principal amount of Notes equal to the principal amount thereof for which it has subscribed and paid.

Notes that are initially deposited with the Common Depository may (if indicated in the relevant Final Terms) also be credited to the accounts of subscribers with Approved Intermediaries or (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by Euroclear France or other clearing systems. Conversely, Notes that are initially deposited with Euroclear France or any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems (or Approved Intermediaries), in all cases subject to the rules of such clearing systems from time to time.

If the relevant Final Terms indicate that the Global Note is a NGN, the nominal amount of the Notes represented by the Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear and Clearstream, Luxembourg (together, the “**relevant Clearing Systems**”). The records of the relevant Clearing Systems (which expression in the Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer’s interest in the Notes) shall be conclusive evidence of the nominal amount of Notes represented by the Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of the Notes represented by the Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or any other permitted clearing system or, in the case of Notes held through Euroclear France, an Approved Intermediary as the holder of a Note represented by a Global Note or a Global Certificate must look solely to Euroclear, Clearstream, Luxembourg or such clearing system or such Approved Intermediary (as the case may be) for his share of each payment made by the Issuer to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, and in relation to all other rights arising under the Global Notes or Global Certificates, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg, Euroclear France or such clearing system (as the case may be). Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Global Note or Global Certificate and such obligations of the Issuer will be discharged by payment to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, in respect of each amount so paid.

Exchange

1 Temporary Global Notes

Each Temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date:

- (i) if the relevant Final Terms indicate that such Global Note is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable, in whole, but not in part, for the Definitive Notes defined and described below and
- (ii) Otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement for interests in a Permanent Global Note or, if so provided in the relevant Final Terms, for Definitive Notes.

2 Permanent Global Notes

Each Permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not, except as provided under “Partial Exchange of Permanent Global Notes”, in part for Definitive Notes if the Permanent Global Note is held on behalf of Euroclear, Clearstream, Luxembourg, Euroclear France or any other clearing system (an “**Alternative Clearing System**”) and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or in fact does so or if principal in respect of any Notes is not paid when due, by the holder giving notice to the Fiscal Agent of its election for such exchange.

In the event that a Global Note is exchanged for Definitive Notes, such Definitive Notes shall be issued in Specified Denomination(s) only. A Noteholder who holds a principal amount of less than the minimum Specified Denomination will not receive a Definitive Note in respect of such holding and would need to purchase a principal amount of Notes such that it holds an amount equal to at least the minimum Specified Denomination.

3 Permanent Global Certificates

If the Final Terms state that the Notes are to be represented by a permanent Global Certificate on issue, transfers of the holding of Notes represented by any Global Certificate may only be made in part:

- (i) if the Notes represented by the Global Certificates are held on behalf of Euroclear, Clearstream, Luxembourg, Euroclear France or an Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so;
- (ii) or if principal in respect of any Notes is not paid when due; or
- (iii) with the consent of the Issuer,

provided that, in the case of the first transfer of part of a holding pursuant to paragraphs 3(i) or 3(ii) above, the Registered Holder has given the Registrar not less than 30 days’ notice at its specified office of the Registered Holder’s intention to effect such transfer.

4 Partial Exchange of Permanent Global Notes

For so long as a Permanent Global Note is held on behalf of a clearing system and the rules of that clearing system permit, such Permanent Global Note will be exchangeable at the cost of the Issuer in part on one or more occasions at the option of Noteholders (unless specified otherwise in the relevant Final Terms) for Definitive Notes if principal in respect of any Notes is not paid when due.

5 Delivery of Notes

If the Global Note is a CGN, on or after any due date for exchange, the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the Fiscal Agent. In exchange for any Global Note, or the part thereof to be exchanged, the Issuer will (i) in the case of a Temporary Global Note exchangeable for a

Permanent Global Note, deliver, or procure the delivery of, a Permanent Global Note in an aggregate principal amount equal to that of the whole or that part of a Temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a Permanent Global Note to reflect such exchange or (ii) in the case of a Global Note exchangeable for Definitive Notes, deliver, or procure the delivery of, an equal aggregate principal amount of duly executed and authenticated Definitive Notes or (iii) if the Global Note is a NGN, procure that details of such exchange be entered *pro rata* in the records of the relevant clearing system. In this Base Prospectus, “**Definitive Notes**” means, in relation to any Global Note, the definitive Bearer Notes for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Global Note and a Talon). Definitive Notes will be security printed and Certificates will be printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Agency Agreement. On exchange in full of each Permanent Global Note, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

6 Exchange Date

“**Exchange Date**” means, in relation to a Temporary Global Note, the day falling after the expiry of 40 days after its issue date and, in relation to a Permanent Global Note, a day falling not less than 60 days, or in the case of failure to pay principal in respect of any Notes when due 30 days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Fiscal Agent is located and in the city in which the relevant clearing system is located. In the event that a further Tranche of Notes is issued in respect of any Series of Notes pursuant to Condition 12 which is to be consolidated with one or more previously issued Tranches of such Series prior to the Exchange Date relating to the Temporary Global Note representing the most recently previously issued Tranche of such Series, such Exchange Date may be extended until the Exchange Date which respect to such further Tranche provided that in no event shall such first-mentioned Exchange Date be extended beyond the date which is five calendar days prior to the first Interest Payment Date (if any) falling after such first-mentioned Exchange Date.

Modifications of the Conditions of the Notes while in Global Form

The Global Notes and the Global Certificates contain provisions that apply to the Notes that they represent, some of which modify the effect of the terms and conditions of the Notes set out in this Base Prospectus.

7 Payments

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a Permanent Global Note or for Definitive Notes is improperly withheld or refused. Payments on any Temporary Global Note issued in compliance with the D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement. All payments in respect of Notes represented by a Global Note in CGN form will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Fiscal Agent or such other Paying Agent as shall have been notified to the Noteholders for such purpose. If the Global Note is a CGN, a record of each payment so made will be endorsed on each Global Note, which endorsement will be *prima facie* evidence that such payment has been made in respect of the Notes. If the Global Note is a NGN or if the Global Certificate is held under the NSS, the Issuer shall procure that details of each such payment shall be entered *pro rata* in the records of the relevant clearing system and in the case of payments of principal, the nominal amount of the Notes recorded in the records of the relevant clearing system and represented by the Global Note or the Global Certificate will be reduced accordingly. Payments under a NGN will be made to its holder. Each payment so made will discharge the Issuer’s obligations in respect thereof. Any failure to make the entries in the records of the relevant clearing system shall not affect such discharge. For the purpose of any payment made in respect of a Global Note or Global Certificate, the relevant place of presentation shall be disregarded in the definition of “business day” set out in Condition 8(h) (*Non-Business Days*).

All payments in respect of Notes represented by a Global Certificate will be made to, or to the order of, the person whose name is entered on the register at the close of business on the record date which shall be on the Clearing System Business Day immediately prior to the date for

payment, where Clearing System Business Day means Monday to Friday inclusive except 25 December and 1 January.

8 Prescription

Claims against the Issuer in respect of Notes that are represented by a Permanent Global Note will become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 9).

9 Meetings

The holder of a Permanent Global Note or of the Notes represented by a Global Certificate shall (unless such Permanent Global Note or Global Certificate represents only one Note) be treated as being two persons for the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, the holder of a Permanent Global Note shall be treated as having one vote in respect of each minimum Specified Denomination of Notes for which such Global Note may be exchanged. All holders of Registered Notes are entitled to one vote in respect of each Note comprising such Noteholder's holding, whether or not represented by a Global Certificate.

10 Cancellation

Cancellation of any Note represented by a Permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the principal amount of the relevant Permanent Global Note.

11 Purchase

Notes represented by a Permanent Global Note may only be purchased by the Issuer or any of its subsidiaries if they are purchased together with the rights to receive all future payments of interest and Instalment Amounts (if any) thereon.

12 Issuer's Option

Any option of the Issuer provided for in the Conditions of any Notes while such Notes are represented by a Permanent Global Note shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the event that any option of the Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of accountholders with a clearing system or Approved Intermediary in respect of the Notes will be governed by the standard procedures of Euroclear, Clearstream, Luxembourg and/or Euroclear France (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion) or any Alternative Clearing System (as the case may be).

13 Noteholders' Options

Any option of the Noteholders provided for in the Conditions of any Notes while such Notes are represented by a Permanent Global Note may be exercised by the holder of the Permanent Global Note giving notice to the Fiscal Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the serial numbers of the Notes in respect of which the option has been exercised, and stating the principal amount of Notes in respect of which the option is exercised and at the same time, where the Permanent Global Note is a CGN, presenting the Permanent Global Note to the Fiscal Agent, or to a Paying Agent acting on behalf of the Fiscal Agent, for notation. Where the Global Note is a NGN, the Issuer shall procure that details of such exercise shall be entered pro rata in the records of the relevant clearing system and the nominal amount of the Notes recorded in those records will be reduced accordingly.

14 NGN nominal amount

If the applicable Final Terms indicate that the Global Note is a NGN, details of redemption, payment or purchase and cancellation, as the case may be, shall be entered pro rata in the records of the relevant Clearing Systems and upon any such entry being made, in respect of

payments of principal, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by such Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled or by the aggregate amount of such instalment so paid.

15 Events of Default

Each Global Note provides that the holder may cause such Global Note, or a portion of it, to become due and repayable in the circumstances described in Condition 11 by stating in the notice to the Fiscal Agent the principal amount of such Global Note that is becoming due and repayable. If principal in respect of any Note is not paid when due, the holder of a Global Note or Registered Notes represented by a Global Certificate may elect for direct enforcement rights against the Issuer under the terms of a Deed of Covenant executed as a deed by the Issuer on 12 June 2014, to come into effect in relation to the whole or a part of such Global Note or such Registered Notes, as the case may be, in favour of the persons entitled to such part of such Global Note as accountholders with a clearing system or in the case of Euroclear France, Approved Intermediaries. Following any such acquisition of direct rights, the Global Note or, as the case may be, the Global Certificate and the corresponding entry in the register kept by the Registrar will become void as to the specified portion or Registered Notes, as the case may be. However, no such election may be made in respect of Notes represented by a Global Certificate unless the transfer of the whole or a part of the holding of Notes represented by that Global Certificate shall have been improperly withheld or refused.

16 Notices

So long as any Notes are represented by a Global Note and such Global Note is held on behalf of a clearing system, notices to the holders of Notes of that Series may be given by delivery of the relevant notice to that clearing system for communication by it to entitled accountholders in substitution for publication as required by the Conditions or by delivery of the relevant notice to the holder of the Global Note except that so long as the Notes are listed on Euronext Paris and the rules of that exchange so require, notices shall also be published in a leading newspaper having general circulation in Paris (which is expected to be *Les Echos*) and/or in accordance with Articles 221-3 and 221-4 of the *Règlement Général* of the Autorité des marchés financiers.

17 Redenomination and Consolidation

A Global Note or Global Certificate may be amended or replaced by the Issuer (in such manner as it considers necessary, after consultation with the Redenomination Agent and the Consolidation Agent, as the case may be) for the purposes of taking account of the redenomination and/or consolidation of the Notes in accordance with Conditions 1(c) and 14. Any consolidation may require a change in the relevant common depositary, as the case may be.

TAXATION

The statements herein regarding taxation are based on the laws in force in the European Union and France as of the date of this Base Prospectus and are subject to any changes in such laws. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Notes. Each prospective holder or beneficial owner of Notes should consult its tax adviser as to the tax consequences of any investment in or ownership and disposition of the Notes under the laws of the European Union, France or any other jurisdiction. The Issuer accepts no responsibility for updating the information set out below in the event of any legislative or regulatory changes.

All prospective Noteholders should seek independent advice as to their tax positions.

EU SAVINGS DIRECTIVE

On 3 June 2003, the European Council of Economic and Finance Ministers adopted the Directive 2003/48/EC on the taxation of savings income in the form of interest payments (the “**EU Savings Directive**”) (as amended by an EU Council Directive 2014/48/EU of 24 March 2014, the “**Amending Directive**”). Pursuant to the EU Savings Directive and subject to a number of conditions being met, Member States of the European Union (the “**EU Member States**”) are required to provide to the tax authorities of another EU Member State details of payments of interest (and certain other types of income) paid by a paying agent in the meaning of the EU Savings Directive within its jurisdiction to, or collected by such a person for, an individual resident in that other Member State or to certain other types of entities or legal arrangements (the “**Disclosure of Information Method**”).

However, throughout a transitional period, Austria, unless it elects otherwise or the relevant beneficial owner of such payment elects for the Disclosure of Information Method, may levy a withholding tax on payments to such beneficial owner. The rate of such withholding tax is 35 per cent. The transitional period is to terminate at the end of first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments.

According to the Luxembourg law dated 25 November 2014, the Luxembourg government has abolished the withholding tax system with effect from 1 January 2015 in favour of automatic information exchange under the EU Savings Directive.

A number of non EU countries and dependent or associated territories including Switzerland have agreed to adopt similar measures (transitional withholding or exchange of information) in relation to payments made by a paying agent (within the meaning of the EU Savings Directive) established within such countries or territories to or collected by such a paying agent for an individual resident or certain types of entities established in a Member State.

In addition, Luxembourg and some other Member States have entered into reciprocal provision of information or transitional withholding agreements (the “**Agreements**”) with certain of the dependent or associated territories in relation to payments made by a paying agent (within the meaning of the EU Savings Directive) established in a Member State to or collected by such a paying agent for an individual resident or certain types of entities established in one of those territories.

If a payment were to be made or collected through a EU Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax.

On 24 March 2014, the Council of the European Union adopted directive 2014/48/EU amending the EU Savings Directive which amends and broadens the scope of the requirements described above (the “**Amending Directive**”). In particular, additional steps may be required in certain circumstances to identify the beneficial owner of interest payments (through a look through approach). The definition of “interest payment” to cover income that is equivalent to interest is also broadened. The EU Member States will have until 1 January 2016 to adopt the national legislation necessary to comply with this Amending Directive (and such national legislation must apply from 1 January 2017).

However, the European Commission has proposed the repeal of the Savings Directive from 1 January 2017 in the case of Austria and from 1 January 2016 in the case of all other EU Member States (subject to on-going requirements to fulfil administrative obligations such as the reporting and exchange of information relating to, and accounting for withholding taxes on, payments made before those dates). This is to prevent overlap between the Savings Directive and a new automatic exchange of information regime to be

implemented under Council Directive 2011/16/EU on Administrative Cooperation in the field of Taxation (as amended by Council Directive 2014/107/EU). The proposal also provides that, if it proceeds, EU Member States will not be required to apply the new requirements of the amending directive.

Investors should inform themselves of and, where appropriate, take advice on the impact of the EU Savings Directive and the amending directive on their investment.

FRENCH TAXATION

The following is a summary limited to certain tax considerations in France relating to the Notes that may be issued under the Programme and that may be relevant to holders of Notes who do not concurrently hold shares of the Issuer or are not otherwise affiliated with the Issuer within the meaning of Article 39-12 of the French Code général des impôts and does not purport to constitute legal advice.. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes. This summary is based upon the law as in effect on the date of this Base Prospectus and is subject to any change in law that may effect after such date.

EU Savings Directive

The EU Savings Directive was implemented into French law under Article 242 *ter* of the French Code général des impôts and Articles 49 I-ter to 49 I-sexies of Schedule III to the French Code général des impôts, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Withholding Tax

Notes issued by the Issuer other than those which are to be assimilated (assimilées) with Notes issued before 1 March 2010

Payments of interest and other revenues made by the Issuer with respect to the Notes (other than Notes (as described below) which are assimilated (*assimilées*) and form a single series with Notes issued prior to 1 March 2010 having the benefit of Article 131 *quater* of the French Code général des impôts) will not be subject to the withholding tax set out under Article 125 A III of the French Code général des impôts unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French Code général des impôts (a “**Non-Cooperative State**”). If such payments under the Notes are made in a Non-Cooperative State, a 75 per cent. withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French Code général des impôts. The 75 per cent withholding tax is applicable irrespective of the tax residence of the Noteholder. The list of Non-Cooperative States is published by ministerial executive order which is updated on a yearly basis.

Furthermore, according to Article 238 A of the French Code général des impôts, interest and other revenues on such Notes may not be deductible from the Issuer's taxable income if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid on a bank account located in such a Non-Cooperative State (the “**Deductibility Exclusion**”). Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the French Code général des impôts, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* of the French Code général des impôts, at a rate of 30 per cent. or 75 per cent., subject to the more favourable provisions of an applicable double tax treaty, if any.

Notwithstanding the foregoing, neither the 75 per cent. withholding tax provided under Article 125 A III of the French Code général des impôts nor, provided that the relevant interest and other revenues relate to a genuine transaction and are not abnormal or exaggerated in their amount, the Deductibility Exclusion and the withholding tax described in the preceding paragraph will apply in respect of a particular issue of Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes were not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the “**Exception**”).

Pursuant to the French tax administrative guidelines published in the *Bulletin Officiel des Finances Publiques-Impôts* under the references BOI-INT-DG-20-50 (n°960) and BOI-RPPM-RCM-30-10-20-40 (n°70) dated 11 February 2014, BOI-IR-DOMIC-10-20-20-60 (n°10) dated 20 March 2015 and (BOI-ANNX-

000364) dated 12 September 2012, an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes, if such Notes are:

- (i) offered by means of a public offer within the meaning of Article L. 411.1 of the French *Code monétaire et financier* or pursuant to an equivalent offer in a State which is not a Non-Cooperative State. For this purpose, an “equivalent offer” means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L. 561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

Notes issued by the Issuer which are to be assimilated (assimilées) with Notes issued before 1 March 2010

Payments of interest and other revenues with respect to Notes which are assimilated (*assimilées*) and form a single series with Notes issued before 1 March 2010 that were issued (or deemed issued) outside France, as provided under Article 131 *quater* of the French *Code général des impôts*, will continue to be exempt from the withholding tax set out under Article 125 A III of the French *Code général des impôts*.

In addition, interest and other revenues paid by the Issuer on Notes which are to be assimilated (*assimilées*) and form a single series with Notes issued before 1 March 2010 will not be subject to the withholding tax set out in Article 119 *bis* of the French *Code général des impôts* solely on account of their being paid on a bank account opened in a financial institution located in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

Withholding tax applicable to French resident individuals

Pursuant to Article 125 A and 125 D of the French *Code général des impôts* and subject to certain limited exceptions, interests and similar revenues received by French tax resident individuals are subject to a 24 per cent. withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding tax at an aggregate rate of 15.5 per cent. on interest and other similar revenues paid to French tax resident individuals.

See “*Terms and Conditions of the Notes - Taxation*”.

LUXEMBOURG TAXATION

The following discussion contains a description of certain material Luxembourg income tax considerations that may be relevant to the purchase, ownership and disposal of Notes by a Noteholder. It does not purport to be a complete analysis of all tax considerations relating to the Notes, whether in Luxembourg or elsewhere. Prospective Noteholders should consult their own tax advisers as to which countries’ tax laws could be relevant to acquiring, holding and disposing of the Notes and the consequences of such actions under the tax laws of Luxembourg. This summary is based upon tax laws of Luxembourg as in effect on the date of this Base Prospectus, which are subject to change, possibly with retroactive effect, and to differing interpretations. The information contained within this section is limited to taxation issues, and prospective investors should not apply any information set out below to other areas, including (but not limited to) the legality of transactions involving the Notes.

*Please be aware that the residence concept used in the headings below applies for Luxembourg income tax assessment purposes only. Any reference in the present section to a tax, duty, levy, impost or other charge or withholding of a similar nature refers only to Luxembourg tax law and/or concepts. Also, please note that a reference to Luxembourg income tax generally encompasses corporate income tax (*impôt sur le revenu des collectivités*), municipal business tax (*impôt commercial communal*), a solidarity surcharge (*contribution au fonds pour l’emploi*), as well as personal income tax (*impôt sur le revenu*) as well as a temporary budget tax (*impôt d’équilibrage budgétaire temporaire*). Investors may further be subject to net wealth tax (*impôt sur la fortune*) as well as other duties, levies or taxes. Corporate income tax, municipal business tax as well as the solidarity surcharge invariably apply to most corporate taxpayers resident of Luxembourg for tax purposes. Individual taxpayers are generally subject to personal income tax, the*

temporary budget tax and the solidarity surcharge. Under certain circumstances, where an individual taxpayer acts in the course of the management of a professional or business undertaking, municipal business tax may also apply.

Withholding tax - Luxembourg non-residents

Under Luxembourg tax law currently in effect, all payments of interest (including accrued but unpaid interest) made by the Issuer in the context of the holding, disposal, redemption or repurchase of the Notes, which are not profit sharing, can be free and clear of any withholding or deduction for or on account of any taxes of whatsoever nature imposed, levied, withheld, or assessed by Luxembourg or any political subdivision or taxing authority thereof or therein, in accordance with the applicable Luxembourg law.

Pursuant to the law dated 25 November 2014 amending the laws of 21 June 2005, as amended (the "**Laws**") implementing Council Directive 2003/48/EC on the taxation of savings income in the form of interest payments (the "**Savings Directive**") and ratifying the treaties entered into by Luxembourg and certain dependent and associated territories of European Union member states (the "**Territories**"), Luxembourg adopted the automatic exchange of information as foreseen under the EU Savings Directive.

Consequently, since 1 January 2015 no withholding tax is levied under the Laws on interest payments (including accrued but unpaid interest) made by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner or a residual entity, as defined by the Laws, which is a resident of, or established in, a Member State (other than Luxembourg) or one of the Territories.

Under the Laws, a Luxembourg-based paying agent (within the meaning of the EU Savings Directive) is required to provide the Luxembourg tax administration with information on payments of interest and other similar income paid by it to (or under certain circumstances, to the benefit of) an individual resident Noteholder in another EU Member State or in one of the Territories, or to a residual entity in the sense of article 4.2 of the EU Savings Directive, (the "**Residual Entities**", *i.e.*, an entity (i) without legal personality, (ii) whose profits are not taxed under the general arrangements for the business taxation, (iii) that is not an undertaking for collective investment in transferable securities (a "**UCITS**") recognised in accordance with Council Directive 2009/65/EC dated 13 July 2009 on the coordination of laws, regulations and administrative provisions relating to UCITS, resident or established in another EU Member State or in any of the Territories and (iv) which has not opted to be recognised as a UCITS for the purposes of the EU Savings Directive. Responsibility for the exchange of information will be assumed by the Luxembourg paying agent. The Luxembourg tax administration then communicates such information to the competent authority of such EU Member State or associated territories.

Withholding tax - Luxembourg residents

The term "**interest**" used hereafter should have the same meaning as in the Laws.

According to the amended Luxembourg law of 23 December 2005 (the "**December 2005 Law**"), a 10 per cent. withholding tax has been introduced on payments of savings income (*i.e.* with certain exemptions, savings income within the meaning of the Laws) made by Luxembourg paying agents (defined in the same way as in the EU Savings Directive) to (or for the benefit of) Luxembourg individual resident Noteholders or to certain Residual Entities (as such term is defined in article 4.2 of the EU Savings Directive) who are beneficial owners of such savings income.

Pursuant to the December 2005 Law, Luxembourg resident individuals can opt to self-declare and pay a 10 per cent. levy on savings income paid by paying agents (as such term is defined in the EU Savings Directive) located in an EU Member State other than Luxembourg, a Member State of the European Economic Area other than an EU Member State, or in a State or territory which has concluded an international agreement with Luxembourg directly related to the EU Savings Directive. In such case, the 10 per cent. levy is calculated on the same amounts as for the payments made by Luxembourg paying agents. The option for the 10 per cent. levy must cover all interest payments made by paying agents to the beneficial owner during the entire civil year.

The 10 per cent. withholding tax as described above or the 10 per cent. levy are final when Luxembourg resident individuals are acting in the context of the management of their private wealth.

Responsibility for the withholding of the 10 per cent. withholding tax in application of the above mentioned December 2005 Law is assumed by the Luxembourg paying agent within the meaning of these laws and not by the Issuer (unless the Issuer acts as a paying agent).

Income tax on principal, interest, gains on sales or redemption

Non-resident Noteholders

Noteholders who are non-residents of Luxembourg and who do not have a permanent establishment, a permanent representative or a fixed place of business in Luxembourg with which/whom the holding of the Notes is connected, will not be subject to taxes (income taxes and net wealth tax) or duties in Luxembourg with respect to payments of principal or interest (including accrued but unpaid interest), payments received upon redemption, repurchase or exchange of the Notes or capital gains realised upon disposal or repayment, in any form whatsoever, of the Notes.

Noteholders who are non-residents of Luxembourg but who are acting in the course of management of a professional or business undertaking, who have a permanent establishment, a permanent representative or a fixed place of business in Luxembourg to which/whom the Notes are attributable are subject to Luxembourg income tax on interest accrued or received, redemption premiums or issue discounts, under the Notes and on any gains realised upon the sale or disposal, in any form whatsoever, of the Notes.

Luxembourg resident corporate Noteholders

Luxembourg resident corporate Noteholders must include any interest received or accrued, as well as any gain realised on the disposal of the Notes, in their taxable income for Luxembourg income tax assessment purposes. Noteholders who have a permanent establishment, a permanent representative or a fixed place of business in Luxembourg with which the holding of the Notes is connected, must for income tax purposes include any interest received or accrued as well as the difference between the sale or redemption price and the book value of the Notes sold or redeemed in their taxable income for Luxembourg tax assessment purposes. They will not be liable for any Luxembourg income tax on repayment of principal.

Luxembourg resident corporate Noteholders which are companies benefiting from a special tax regime (such as family estate management companies subject to the amended law of 11 May 2007, undertakings for collective investment subject to the amended law of 17 December 2010 or specialised investment funds subject to the amended law of 13 February 2007) are tax exempt entities in Luxembourg, and are thus not subject to any Luxembourg tax (*i.e.* corporate income tax, municipal business tax and net wealth tax) other than the annual subscription tax calculated on their (paid-up) share capital (and share premium) or net asset value.

Luxembourg resident individual Noteholders

A resident individual Noteholder acting in the course of the management of a professional or business undertaking must include any interest accrued or received, any redemption premium or issue discount, as well as any gain realised on the sale or disposal, in any form whatsoever, of the Notes, in its taxable income for Luxembourg income tax assessment purposes. If applicable, the tax levied in accordance with the December 2005 Law will be credited against his/her final tax liability.

A resident individual Noteholder acting in the course of the management of his/her private wealth, is subject to Luxembourg income tax at progressive rates in respect of interest received, accrued but unpaid interest in case of disposal of the Notes, redemption premiums or issue discounts under the Notes except if (i) the 10 per cent. final withholding tax has been levied on such payments in accordance with the December 2005 Law or (ii) the individual Noteholder has opted for the application of a 10 per cent. levy in full discharge of income tax in accordance with the December 2005 Law.

Under Luxembourg domestic tax law, Luxembourg resident individual Noteholders who act in the course of the management of their private wealth, are not subject to taxation on capital gains upon the disposal of the Notes, unless the disposal of the Notes precedes the acquisition of the Notes or the Notes are disposed of within six months of the date of acquisition of these Notes. Upon a redemption of the Notes, individual Luxembourg resident Noteholders who act in the course of the management of their private wealth must however include the portion of the redemption price corresponding to accrued but unpaid interest in their taxable income.

Net wealth tax

Luxembourg net wealth tax will be levied on a Luxembourg resident corporate Noteholder, as well as a non-resident Noteholder who has a permanent establishment, a permanent representative or a fixed place of business in Luxembourg to which the Notes are attributed, unless, the Noteholder is (i) an undertaking for collective investment subject to the amended law of 17 December 2010, (ii) a specialised investment fund governed by the amended law of 13 February 2007, (iii) a securitisation company governed by the amended law of 22 March 2004 on securitisation, (iv) an investment company in risk capital governed by

the amended law of 15 June 2004, or (v) a family wealth management company governed by the amended law of 11 May 2007 on family estate management companies.

Luxembourg net wealth tax has been abolished for individual Noteholders.

Other taxes

There is no Luxembourg registration tax capital tax stamp duty or any other similar tax or duty (other than nominal court fees and contributions for the registration with the Chamber of Commerce) payable in Luxembourg in respect of or in connection with the execution, delivery and enforcement by legal proceedings (including any foreign judgment in the courts of Luxembourg) of the Notes except that in the case of court proceedings in a Luxembourg court or the presentation of the documents relative to the Notes issue to an "autorité constituée", such a court or "autorité constituée" may require registration thereof in which case the documents will be subject to registration duties depending on the nature of the documents (in particular, a loan will be subject to an *ad valorem* registration duty of 0.24 per cent. calculated on the amounts mentioned therein whilst the Notes would be subject to a fixed EUR 12 duty).

Inheritance and gift tax

Where the Notes are transferred for no consideration:

- (i) no Luxembourg inheritance tax is levied on the transfer of the Notes upon death of a holder of a Note in cases where the deceased Noteholder was not a resident of Luxembourg for inheritance tax purposes;
- (ii) at the time of death the Notes are included in the taxable estate for inheritance tax assessment purposes in cases where the deceased Noteholder was a resident of Luxembourg for inheritance tax purposes;
- (iii) Luxembourg gift tax will be levied on the transfer of a Note by a way of a gift by the Noteholder if this gift is registered in Luxembourg (e.g. if it is made pursuant to a notarial deed signed before a Luxembourg notary).

Residence

Noteholders will not be deemed to be resident, domiciled or carrying on business in Luxembourg solely by reason of holding, execution, performance, delivery, exchange and/or enforcement of the Notes.

UK TAXATION

The following is a summary of the United Kingdom withholding taxation treatment at the date hereof in relation to payments of principal and interest in respect of the Notes. It is based on current law and the practice of Her Majesty's Revenue and Customs ("HMRC"), which may be subject to change, sometimes with retrospective effect. The comments do not deal with other United Kingdom tax aspects of acquiring, holding or disposing of Notes. The comments are made on the assumption that the Issuer of the Notes is not resident in the United Kingdom for United Kingdom tax purposes. The comments relate only to the position of persons who are absolute beneficial owners of the Notes. Prospective Noteholders should be aware that the particular terms of issue of any series of Notes as specified in the relevant Final Terms may affect the tax treatment of that and other series of Notes. The following is a general guide for information purposes and should be treated with appropriate caution. It is not intended as tax advice and it does not purport to describe all of the tax considerations that may be relevant to a prospective purchaser. Noteholders who are in any doubt as to their tax position should consult their professional advisers.

A. UK Withholding tax

Provided that the interest on the Notes does not have a United Kingdom source, interest on the Notes may be paid by the Issuer without withholding or deduction for or on account of United Kingdom income tax. The location of the source of a payment is a complex matter. It is necessary to have regard to case law and HMRC practice. Case law has established that in determining the source of interest, all relevant factors must be taken into account. HMRC has indicated that the most important factors in determining the source of a payment are those which influence where a creditor would sue for payment, and has stated that the place where the Issuer does business, and the place where its assets are located, are the most important factors in this regard; however HMRC has also indicated that, depending on the circumstances, other relevant factors may include the place where the interest and principal are payable, the method of payment, the governing law of the Notes and the competent jurisdiction for any legal action, the location of any security for the Issuer's obligations under the Notes, and similar factors relating to any guarantee.

Interest which has a United Kingdom source (“**UK interest**”) may be paid by the Issuer without withholding or deduction for or on account of United Kingdom income tax if the Notes in respect of which the UK interest is paid are issued for a term of less than one year (and are not issued under arrangements the effect of which is to render the Notes part of a borrowing with a total term of one year or more).

UK interest on Notes issued for a term of one year or more (or under arrangements the effect of which is to render the Notes part of a borrowing with a total term of one year or more) may be paid by the Issuer without withholding or deduction for or on account of United Kingdom income tax if the Notes in respect of which the UK interest is paid constitute “quoted Eurobonds”. Notes which carry a right to interest will constitute quoted Eurobonds provided they are and continue to be listed on a recognised stock exchange. Securities will be “listed on a recognised stock exchange” for this purpose if they are admitted to trading on an exchange designated as a recognised stock exchange by an order made by the Commissioners for HMRC and either they are included in the United Kingdom official list (within the meaning of Part 6 of the Financial Services and Markets Act 2000) or they are officially listed, in accordance with provisions corresponding to those generally applicable in European Economic Area states, in a country outside the United Kingdom in which there is a recognised stock exchange.

The NYSE Euronext Paris is a recognised stock exchange. The Issuer’s understanding of current HMRC practice is that securities which are officially listed and admitted to trading on the NYSE Euronext Paris may be regarded as “listed on a recognised stock exchange” for these purposes.

In all other cases, UK interest on the Notes may fall to be paid under deduction of United Kingdom income tax at the basic rate (currently 20%) subject to such relief as may be available following a direction from HMRC pursuant to the provisions of any applicable double taxation treaty, or to any other exemption which may apply.

B. Payments by Guarantor

If the Guarantor makes any payments in respect of interest on the Notes (or other amounts due under the Notes other than the repayment of amounts subscribed for the Notes) and such payments have a United Kingdom source, such payments may be subject to United Kingdom withholding tax at the basic rate (currently 20%) subject to such relief as may be available following a direction by HMRC pursuant to the provisions of any applicable double taxation treaty, or to any other exemption which may apply. Whether such payments made by the Guarantor have a United Kingdom source is a complex matter and is likely to be determined by reference principally to the factors set out above. Such payments by the Guarantor may not be eligible for the exemptions described in section A above.

C. Payments under Deed of Covenant

Any payments made by the Issuer under the Deed of Covenant may not qualify for the exemptions from UK withholding tax described above.

D. Provision of Information

HMRC have powers to obtain information in relation to interest or payments treated as interest and payments derived from securities which are made by persons in the UK. This may include details of the beneficial owners of the Notes (or the persons for whom the Notes are held), details of the persons to whom payments derived from the Notes are or may be paid and information in connection with transactions relating to the Notes. Information obtained by HMRC may be provided to tax authorities in other countries.

Information may also be required to be reported in accordance with regulations made pursuant to the EU Savings Directive (see above).

E. Other Rules Relating to United Kingdom Withholding Tax

Notes may be issued at an issue price of less than 100 per cent of their principal amount. Any discount element on any such Notes will not generally be subject to any United Kingdom withholding tax pursuant to the provisions mentioned in A above, but may be subject to reporting requirements as outlined in D above.

Where Notes are to be, or may fall to be, redeemed at a premium, as opposed to being issued at a discount, then any such element of premium may constitute a payment of interest. Payments of interest are subject to United Kingdom withholding tax and reporting requirements as outlined above.

Where interest has been paid under deduction of United Kingdom income tax, holders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in any applicable double taxation treaty.

The references to “interest” in A to D above mean “interest” as understood in United Kingdom tax law. The statements in A to D above do not take any account of any different definitions of “interest” or “principal” which may prevail under any other law or which may be created by the terms and conditions of the Notes or any related documentation.

SUBSCRIPTION AND SALE

Summary of Dealer Agreement

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 12 June 2015 as amended from time to time (the “**Dealer Agreement**”) between the Issuer, Barclays Bank PLC, BNP Paribas, Citigroup Global Markets Limited, Credit Agricole Corporate and Investment Bank, Deutsche Bank AG, London Branch, Goldman Sachs International, HSBC France, JP Morgan Securities plc, Merrill Lynch International, Natixis and Société Générale (the “**Permanent Dealers**”) and BNP Paribas, as arranger of the Programme (the “**Arranger**”), the Notes will be offered by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Notes directly on its own behalf to dealers that are not Permanent Dealers (such dealers together with the Permanent Dealers, the “**Dealers**”). The Notes may be resold at prevailing market prices, or at prices related thereto, as determined by the relevant Dealer, at the time of such resale. The Notes may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. In the case of an issue of Notes with a Specified Denomination of less than €100,000, the commissions in respect of an issue of Notes on a syndicated basis will be stated in the relevant Final Terms.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

United States

The Notes and any guarantee thereof have not been and will not be registered under the Securities Act and the Notes may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Notes in bearer form having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and regulations thereunder.

Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that, except as permitted by the Dealer Agreement, it has not offered, sold or delivered and will not offer, sell or deliver the Notes of any identifiable Tranche, (i) as part of their distribution at any time or (ii) otherwise until 40 days after completion of the distribution of such Tranche as determined, and certified to the Issuer, by the Fiscal Agent, or in the case of Notes issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each Dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

In addition, until 40 days after the commencement of the offering, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

Public Offer Selling Restriction under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), each Dealer has represented and agreed that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated in this Base Prospectus as completed by the Final Terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (i) if the Final Terms specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a “**Non-exempt Offer**”), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that (i) the Issuer has given its written consent and (ii) any such prospectus has subsequently been completed by the Final Terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable;
- (ii) at any time to any legal entity which is a qualified investor as defined under the Prospectus Directive;
- (iii) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (iv) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in paragraphs (ii) to (iv) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes to the public**” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “**Prospectus Directive**” means Directive 2003/71/EC (and the amendments thereto, including the Directive 2010/73/EU), and includes any relevant implementing measure in each Relevant Member State.

In addition to the foregoing, the following provisions shall apply in respect of the following EEA Member States:

- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (the "**Financial Instruments and Exchange Act**"). Accordingly, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any Notes in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan) or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and other relevant laws and regulations of Japan.

Each Dealer has agreed that it will, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes this Base Prospectus, any other offering material or any Final Terms and neither the Issuer nor any other Dealer shall have responsibility therefor.
