

DELFINGEN is joining the new PEA-PME pan equity savings

Delfingen, listed on NYSE Alternext in Paris (ISIN code: FR0000054132 - Mnemonic: ALDEL) today announced its capacity to join the new PEA-PME pan equity savings as the company is in compliance with the threshold according to the decree published in the Official Journal March 4th, 2014 (decree n° 2014-283).

Enjoying the same tax advantages as the traditional pan equity savings (PEA), new savings account will integrate 75% of SMEs and ISEs securities, 50% in shares, not exceeding €75.000.

Are eligible, companies under 5,000 employees whose turnover is less than € 1.5 billion in total assets as € 2 billions.

About Delfingen

Set up in 1954, Delfingen will celebrate in 2014 its 60th anniversary. Delfingen is a global leading manufacturer of protection solutions for electrical wiring and fluid automotive networks.

In 2013, Delfingen has achieved a turnover of €M128.7 i.e. a growth of 7.0% vs 2012 without the ex-rate impact.

In 2014, our growth will be brought by the international.

The net sales for the first quarter are in line with the Delfingen strategies:

- To carry on our footprint in Asia, today the first worldwide car market;
- To carry on the development with the German OEMs and automotive suppliers;
- To develop our service and product portfolios and mainly with the technical textiles;
- To carry on our international strategy to go along with our customers.

DELFINGEN, a global leading manufacturer of protection solutions for electrical
wiring and fluid automotive networks.
