## GL events confirms its eligibility for the PEA-PME

GL events, an integrated event solutions and services group, announces its compliance with eligibility criteria for the French equity savings vehicle for small and mid caps (PEA-PME) according to new French regulations (Decree No. 2014-283 of 4 March 2014), namely having less than 5,000 employees, less than €1.5 billion in revenue or less than €2 billion in total assets.

On that basis, GL events shares qualify for being included in PEA-PME accounts that confer the same tax benefits as the traditional equity savings vehicle (PEA).

The PEA-PME savings vehicle was created to promote national savings and create a new instrument to finance small and medium-sized enterprises (SMEs) and mid-size companies<sup>1</sup>.
