AMENDED AND RESTATED TERMS AND CONDITIONS OF THE COVERED BONDS

*The following is the text of the terms and conditions (the "**Conditions**") that, as completed, supplemented, amended or varied in accordance with the provisions of the relevant Final Terms, shall be applicable to the French law Covered Bonds and the New York law Covered Bonds. The terms and conditions applicable to the German law Covered Bonds are contained in the Agency Agreement (as defined below) and the terms and conditions applicable to the Australian law Covered Bonds are contained in the Australian Deed Poll (as defined above).*

In this section, "Covered Bonds" refers only to French law Covered Bonds and New York law Covered Bonds, except as otherwise provided. In the case of French law Covered Bonds which are Dematerialised Covered Bonds, the text of the terms and conditions will not be attached to any physical documents of title but will be constituted by the following text as completed, supplemented, amended or varied by the relevant Final Terms. In the case of French law Covered Bonds which are Materialised Covered Bonds, or New York law Covered Bonds, either (i) the full text of these terms and conditions, together with the relevant provisions of the Final Terms (and subject to simplification by the deletion of non-applicable provisions) or (ii) these terms and conditions as so completed, amended, supplemented or varied, shall, in each case, be attached to the relevant Definitive Materialised Covered Bond, Temporary Global Certificate, Permanent Global Certificate and each Certificate relating to New York law Covered Bonds, as the case may be.

Words and expressions defined in the Agency Agreement, or defined or used in the applicable Final Terms shall have the same meanings when used in these Conditions unless the context otherwise requires or unless otherwise stated provided that, in the event of inconsistency between the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail. References in the Conditions to "Covered Bonds" are to the Covered Bonds of one (1) Series only and not to all Covered Bonds that may be issued under the Program.

The Covered Bonds are issued outside France by Crédit Agricole Home Loan SFH (the "**Issuer**") in series (each a "**Series**") having one (1) or more issue dates and on terms otherwise identical (or identical save as to the first payment of interest), the Covered Bonds of each Series being intended to be interchangeable with all other Covered Bonds of that Series. Each Series may be issued in tranches (each a "**Tranche**") on the same or different issue dates. The specific terms of each Tranche (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder and supplemented, where necessary, with supplemental terms and conditions which, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the final terms of such Tranche (the "**Final Terms**").

The Covered Bonds are issued with the benefit of an amended and restated agency agreement dated on or before the date of this Base Prospectus (the "**Agency Agreement**"), governed by French law (except for those provisions in respect of New York law Covered Bonds which are governed by New York law) and entered into between the Issuer, CACEIS Corporate Trust as fiscal agent and principal paying agent with respect to French law Covered Bonds (the "**French Fiscal Agent**"), Citibank N.A., London Branch as fiscal agent and principal paying agent with respect to New York law Covered Bonds (the "**New York Fiscal Agent**" and references to the "**Fiscal Agent**" shall be to the French Fiscal Agent and/or the New York Fiscal Agent, as appropriate), Citibank N.A., London Branch as transfer agent with respect to New York law Covered Bonds (the "**Transfer Agent**") and the other agents named therein. The paying agents, the registrar, the registration agent and the calculation agent(s) for the time being (if any) are referred to below respectively as the "**Paying Agents**" (which expression shall include the Fiscal Agent), the "**Registrar**", the "**Registration Agent**" and the "**Calculation Agent(s)**". CACEIS Corporate Trust and/or any other agent(s) appointed pursuant to the Agency Agreement will not benefit from the *Privilège* for the payment of their fees or any other amounts that might be due to them by the Issuer under the Agency Agreement.

The Bondholders (as defined below) and, where applicable, the holders of the interest coupons (the "**Coupons**") relating to interest bearing Covered Bonds and, where applicable in the case of such Covered Bonds, talons (the "**Talons**") for further Coupons and the holders of the receipts for the payment of instalments of principal (the "**Receipts**") relating to Covered Bonds of which the principal is redeemable in instalments are respectively referred to below as the "**Couponholders**" and the "**Receiptholders**" and are deemed to have notice of all the provisions of the Agency Agreement and the applicable Final Terms which are applicable to them.

Copies of the Final Terms applicable to a series of Covered Bonds may be obtained, upon request, free of charge, from the registered office of the Issuer and the specified offices of the Paying Agents provided that, if

such Series of Covered Bonds is neither admitted to trading on a regulated market in the European Economic Area (the "EEA") nor offered in the EEA in circumstances where a Base Prospectus is required to be published under Directive 2003/71/EC dated 4 November 2003, as amended by Directive 2010/73/EU of 24 November 2010 (the "**Prospectus Directive**"), the applicable Final Terms will only be obtainable by a Bondholder holding one or more Covered Bonds and such Bondholder must produce evidence satisfactory to the Issuer and/or the Paying Agent as to its holding of such Covered Bonds and identity.

(A) ISDA Determination for Floating Rate Covered Bonds

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), "**ISDA Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

(B) Screen Rate Determination for Floating Rate Covered Bonds:

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (1) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (I) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one (1) entity); or
 - (II) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page, in each case appearing on such Page at the Relevant Time on the Interest Determination Date as disclosed in the relevant Final Terms, plus or minus (as indicated in the relevant Final Terms) the Margin (if any); and

- (2) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (1)(I) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (1)(II) applies and fewer than two (2) Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent, plus or minus (as indicated in the relevant Final Terms) the Margin (if any), and
- (3) if paragraph (2) above applies and the Calculation Agent determines that fewer than two (2) Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two (2) out of five (5) leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is Euro, in the Euro Zone as selected by the Calculation Agent (the "**Principal Financial Centre**") are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two (2) of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two (2) of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).
- (iv) *Rate of Interest for Index Linked Interest Covered Bonds:* The Rate of Interest in respect of Index Linked Interest Covered Bonds for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and interest will accrue by reference to an Index or Formula as specified in the relevant Final Terms.

(d) Zero Coupon Covered Bonds

Where a Covered Bond the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Final Maturity Date (or the Extended Final Maturity Date, as the case may be) pursuant to an Issuer's Option or, if so specified in the relevant Final Terms, pursuant to Condition 7(e) or otherwise and is not paid when due, the amount due and payable prior to the Final Maturity Date (or the Extended Final Maturity Date, as the case may be) shall, unless otherwise provided in the relevant Final Terms, be the Early Redemption Amount. As from the Final Maturity Date (or the Extended Final Maturity Date, as the case may be), the Rate of Interest for any overdue principal of such a Covered Bond shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 7(e)(i)).

(e) Dual Currency Covered Bonds

In the case of Dual Currency Covered Bonds, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the relevant Final Terms.

(f) Partly Paid Covered Bonds

In the case of Partly Paid Covered Bonds (other than Partly Paid Covered Bonds which are Zero Coupon Covered Bonds), interest will accrue as aforesaid on the paid-up nominal amount of such Covered Bonds and otherwise as specified in the relevant Final Terms.

(g) Accrual of Interest

Interest shall cease to accrue on each Covered Bond on the due date for redemption unless (i) in the case of Dematerialised Covered Bonds, on such due date or (ii) in the case of New York law Covered Bonds and Materialised Covered Bonds, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 6 to the Relevant Date.

(h) Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding:

- (i) If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one (1) or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest fifth decimal (with halves being rounded up), (y) all figures shall be rounded to seven (7) figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "**unit**" means the lowest amount of such currency that is available as legal tender in the country of such currency.

(i) Calculations

The amount of interest payable in respect of any Covered Bond for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Covered Bond by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Covered Bond for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two (2) or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods.

(j) Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts

The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Covered Bonds for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the holders of Covered Bonds, any other Calculation Agent appointed in respect of the Covered Bonds that is to make a further calculation upon receipt of such information and, if the Covered Bonds are admitted to trading on a Regulated Market and the rules of such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth (4th) Business Day after such determination. Where any

Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 6(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(k) Calculation Agent and Reference Banks

The Issuer shall procure that there shall at all times be four (4) Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one (1) or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Covered Bond is Outstanding. If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one (1) Calculation Agent is appointed in respect of the Covered Bonds, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris office, or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

7. Redemption, Purchase and Options

(a) Final Redemption

Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to the paragraph below or any Issuer's or Bondholders' option in accordance with Condition 7(c) or 7(d), each Covered Bond shall be finally redeemed on the Final Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Covered Bond falling within Condition 7(b) below, its final Instalment Amount.

Covered Bonds may have hard bullet maturities (which means with no Extended Final Maturity Date, as defined below) or soft bullet maturities (allowing the Final Maturity Date of the relevant Series to be extended), as specified in the Final Terms of the relevant Series. With respect to Series of Covered Bonds having a soft bullet maturity, an extended Final Maturity Date (the "**Extended Final Maturity Date**") shall be specified as applying in relation to such Series in the applicable Final Terms. This means that if the Final Redemption Amount of the relevant Series is not paid by the Issuer on the Final Maturity Date, then payment of such Final Redemption Amount shall be automatically deferred and shall become due and payable one (1) year later on the Extended Final Maturity Date. However, any amount representing the Final Redemption Amount remaining unpaid on the Final Maturity Date may be paid by the Issuer on any Specified Interest Payment Date thereafter, up to (and including) the relevant Extended Final Maturity Date. Interest will continue to accrue on any unpaid amount during such extended period at the relevant newly applicable Rate of Interest (as specified in the relevant Final Terms) and be payable on each Specified Interest Payment Date and on the Extended Final Maturity Date all as specified in the relevant Final Terms and in accordance with the applicable Conditions.

(b) Redemption by Instalments

Unless previously redeemed, purchased and cancelled as provided in this Condition 7, or the relevant Instalment Date (being one (1) of the dates so specified in the relevant Final Terms) is extended pursuant to any Issuer's or Bondholders' option in accordance with Conditions 7(c) or 7(d), each Covered Bond that provides for Instalment Dates and Instalment Amounts shall be partially redeemed

on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Covered Bond shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Covered Bond, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Covered Bonds, on the due date for such payment or (ii) in the case of Materialised Covered Bonds or New York law Covered Bonds on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.

(c) Redemption at the Option of the Issuer, Exercise of Issuer's Options and Partial Redemption

- (i) If a Call Option or any other Issuer's option (as may be described in the relevant Final Terms) is specified in the relevant Final Terms, the Issuer may, subject to compliance by the Issuer of all the relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 17 to the holders of Covered Bonds (or such other notice period as may be specified in the relevant Final Terms) redeem, or exercise any other option in relation to all or, if so provided, some, of the Covered Bonds on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Covered Bonds shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption, if any. Any such redemption must relate to Covered Bonds of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed as specified in the relevant Final Terms and no greater than the Maximum Redemption Amount to be redeemed as specified in the relevant Final Terms.

All Covered Bonds in respect of which any such notice is given shall be redeemed, or the Issuer's Option shall be exercised, on the date specified in such notice in accordance with this Condition.

A. French law Covered Bonds

In the case of a partial redemption or a partial exercise of an Issuer's Option in respect of Materialised Covered Bonds, the notice to holders of such Materialised Covered Bonds shall also contain the numbers of the Definitive Materialised Covered Bonds to be redeemed, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market requirements.

In the case of a partial redemption or a partial exercise of an Issuer's Option in respect of Dematerialised Covered Bonds, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Covered Bonds in a Series in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Covered Bonds and, in such latter case, the choice between those Dematerialised Covered Bonds that will be fully redeemed and those Dematerialised Covered Bonds of any Series that will not be redeemed shall be made in accordance with Article R. 213-16 of the French Monetary and Financial Code (*Code monétaire et financier*) and the provisions of the relevant Final Terms, subject to compliance with any other applicable laws and Regulated Market requirements.

B. New York law Covered Bonds

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to holders of New York law Covered Bonds shall specify the nominal amount of New York law Covered Bonds and the holder(s) of such New York law Covered Bonds chosen to be redeemed, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange requirements.

- (ii) So long as the Covered Bonds are listed and admitted to trading on Euronext Paris and the rules thereof so require, the Issuer shall, once in each year in which there has been a partial

redemption of the Covered Bonds, cause to be published either on the website of the AMF (www.amf-france.org) or in a leading financial newspaper of general circulation in France, which is expected to be *La Tribune* or *Les Echos*, a notice specifying the aggregate nominal amount of Covered Bonds outstanding and, in the case of Materialised Covered Bonds and New York law Covered Bonds a list of any Materialised Covered Bonds and New York law Covered Bonds, drawn for redemption but not surrendered.

(d) Redemption at the Option of Bondholders and Exercise of Bondholders' Options

If a Put Option is specified in the relevant Final Terms, the Issuer shall, at the option of the Bondholder, upon the Bondholder giving not less than fifteen (15) nor more than thirty (30) days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Covered Bond on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option or any other Bondholders' Option as may be set out in the relevant Final Terms (which must be exercised on an Option Exercise Date) the Bondholder must deposit with a Paying Agent at its specified office a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained during normal business hours from any Paying Agent within the notice period. In the case of Materialised Covered Bonds, the Exercise Notice shall have attached to it the relevant Covered Bonds (together with all unmatured Receipts and Coupons and unexchanged Talons) or (in the case of New York law Covered Bonds) the Certificate representing such New York law Covered Bonds must be deposited with the Registrar or any Transfer Agent at its specified office. In the case of Dematerialised Covered Bonds, the Bondholder shall transfer, or cause to be transferred, the Dematerialised Covered Bonds to be redeemed to the account of the Paying Agent with a specified office in Paris, as specified in the Exercise Notice. No option so exercised and, where applicable, no Covered Bond so deposited or transferred, may be withdrawn without the prior consent of the Issuer.

(e) Early Redemption

(i) Zero Coupon Covered Bonds

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Covered Bond, the amount of which is not linked to an index and/or a formula, upon redemption of such Covered Bond pursuant to Condition 7(f) or (g) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Nominal Amount (calculated as provided below) of such Covered Bond unless otherwise specified in the relevant Final Terms.
- (B) Subject to the provisions of sub-paragraph (C) below, the amortised nominal amount of any such Covered Bond (the "**Amortised Nominal Amount**") shall be the scheduled Final Redemption Amount of such Covered Bond on the Final Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the amortisation yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Covered Bonds if they were discounted back to their issue price on the Issue Date) (the "**Amortisation Yield**") compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Covered Bond upon its redemption pursuant to Condition 7(f) or 7(g) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Covered Bond shall be the Amortised Nominal Amount of such Covered Bond as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Covered Bond becomes due and payable was the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Final Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Covered Bond on the Final Maturity Date together with any interest that may accrue in accordance with Condition 6(d).

Where such calculation is to be made for a period of less than one (1) year, it shall be made on the basis of the Day Count Fraction as provided in the relevant Final Terms.

(ii) *Other Covered Bonds*

The Early Redemption Amount payable in respect of any Covered Bond (other than Covered Bonds described in (i) above), upon redemption of such Covered Bond pursuant to Condition 7(f) or 7(g) or upon it becoming due and payable as provided in Condition 10 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption unless otherwise specified in the relevant Final Terms.

(f) Redemption for Taxation Reasons

- (i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Covered Bonds, not be able to make such payment without having to pay additional amounts as specified under Condition 9(b) below, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than forty-five (45) nor less than thirty (30) days' notice to the Bondholders (which notice shall be irrevocable), in accordance with Condition 17, redeem all, but not some only, of the Covered Bonds at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.
- (ii) If the Issuer would, on the next payment of principal or interest in respect of the Covered Bonds, be prevented by French law from making payment to the Bondholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 9(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven (7) days' prior notice to the Bondholders in accordance with Condition 17, redeem all, but not some only, of the Covered Bonds then outstanding at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Covered Bonds, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Bondholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Covered Bonds and (ii) fourteen (14) days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Covered Bonds, or, if applicable, Receipts or Coupons or, if that date is passed, as soon as practicable thereafter.

(g) Redemption due to illegality

The Covered Bonds of all Series shall be redeemed at the option of the Issuer, subject to compliance by the Issuer of all the relevant laws, regulations and directives, in whole, but not in part, at any time, on giving not less than thirty (30) nor more than sixty (60) days' irrevocable notice in accordance with Condition 17 to the holders of Covered Bonds (or such other notice period as may be specified in the relevant Final Terms), if the Issuer satisfies the Fiscal Agent immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any Covered Bonds of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any Borrower Advance made by it to the Borrower or to comply with any other of its obligations under the Covered Bonds of that Series, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Fiscal Agent a certificate signed by two (2) representatives of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Fiscal Agent shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all Bondholders, Receiptholders and Couponholders.

Covered Bonds redeemed pursuant to this Condition 7(g) will be redeemed at their Early Redemption Amount referred to in paragraph 7(e) above together (if appropriate) with interest accrued to the date fixed for redemption, if any.

(h) Partly Paid Covered Bonds

Partly Paid Covered Bonds will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition 7 and the provisions specified in the relevant Final Terms.

(i) Purchases

The Issuer shall have the right at all times to purchase Covered Bonds (provided that, in the case of Materialised Covered Bonds, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise (including by tender offer) at any price.

(j) Cancellation

All Covered Bonds purchased by or on behalf of the Issuer must be cancelled, in the case of Dematerialised Covered Bonds, by transfer to an account in accordance with the rules and procedures of Euroclear France, in the case of Materialised Covered Bonds, by surrendering the relevant Temporary Global Certificate, the Definitive Materialised Covered Bonds in question, together with all unmatured Receipts and Coupons and all unexchanged Talons, if applicable, to the Fiscal Agent and in the case of New York law Covered Bonds, the Certificate representing such New York law Covered Bonds is surrendered to the Registrar and, in each case, if so transferred or surrendered, shall, together with all Covered Bonds redeemed by the Issuer, be cancelled or annotated forthwith, as the case may be, (together with, in the case of Dematerialised Covered Bonds, all rights relating to payment of interest and other amounts relating to such Dematerialised Covered Bonds and, in the case of Materialised Covered Bonds, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Covered Bonds so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Covered Bonds shall be discharged.

8. Payments and Talons

(a) Dematerialised Covered Bonds

Payments of principal and interest in respect of Dematerialised Covered Bonds shall (i) in the case of Dematerialised Covered Bonds in bearer dematerialised form or administered registered form, be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the holders of Covered Bonds and, (ii) in the case of Dematerialised Covered Bonds in fully registered form, to an account denominated in the relevant currency with a Bank designated by the relevant holder of Covered Bonds. All payments validly made to such Account Holders or Bank will be an effective discharge of the Issuer in respect of such payments.

(b) Definitive Materialised Covered Bonds

(i) *Method of payment*

Subject as provided below, payments in a Specified Currency will be made by credit or transfer to an account denominated in the relevant Specified Currency, or to which the Specified Currency may be credited or transferred (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a Bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Euro, shall be any country in the Euro Zone, and, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively).

(ii) *Presentation and surrender of Definitive Materialised Covered Bonds, Receipts and Coupons*

Payments of principal in respect of Definitive Materialised Covered Bonds will (subject as provided below) be made in the manner provided in paragraph (i) above only against presentation and surrender (or, in the case of partial payment of any sum due, annotation) of such Covered Bonds, and payments of interest in respect of Definitive Materialised Covered Bonds will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of Definitive Materialised Covered Bonds, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (i) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (i) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Covered Bond in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Materialised Covered Bond to which it appertains. Receipts presented without the Definitive Materialised Covered Bond to which they appertain do not constitute valid obligations of the Issuer.

Upon the date upon which any Definitive Materialised Covered Bond becomes due and payable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment will be made in respect thereof.

Fixed Rate Covered Bonds in definitive form (other than Dual Currency Covered Bonds or Index Linked Covered Bonds) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time

before the expiry of ten (10) years after the Relevant Date in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 11) or, if later, five (5) years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Covered Bond in definitive form becoming due and repayable prior to its Final Maturity Date (or Extended Final Maturity Date, as the case may be), all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Covered Bond, Dual Currency Covered Bond, Index Linked Covered Bond in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any Definitive Materialised Covered Bond is not an Interest Payment Date, interest (if any) accrued in respect of such Covered Bond from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against presentation and surrender (if appropriate) of the relevant Definitive Materialised Covered Bond.

(iii) *Payments in the United States*

Notwithstanding the foregoing, if any Materialised Covered Bonds are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Covered Bonds in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(c) **New York law Covered Bonds**

- (i) Payments of principal (which for the purposes of this Condition 8(c) shall include final Instalment Amounts but not other Instalment Amounts) in respect of New York law Covered Bonds shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.
- (ii) Interest (which for the purpose of this Condition 8(c) shall include all Instalment Amounts other than final Instalment Amounts) on New York law Covered Bonds shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof or in case of New York law Covered Bonds to be cleared through the DTC, on the fifteenth DTC business day before the due date for payment thereof (the "**Record Date**"). For the purpose of this Condition 8(c), "**DTC business day**" means any day on which DTC is open for business. Payments of interest on each New York law Covered Bond shall be made in the currency in which such payments are due by cheque drawn on a Bank in the principal financial centre of the country of the currency concerned and mailed to the holder (or to the first named of joint holders) of such Covered Bond at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date subject to paragraph (b) above, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank in the principal financial centre of the country of that currency.
- (iii) Payments through DTC: Payments of principal and interest in respect of New York law Covered Bonds denominated in U.S. dollars will be made in accordance with Conditions 8(c)(i) and 8(c)(ii). Payments of principal and interest in respect of New York law Covered Bonds registered in the name of, or in the name of a nominee for, DTC and denominated in a Specified Currency other than U.S. dollars will be made or procured to be made by the Fiscal

Agent in the Specified Currency in accordance with the following provisions. The amounts in such Specified Currency payable by the Fiscal Agent or its agent to DTC with respect to New York law Covered Bonds held by DTC or its nominee will be received from the Issuer by the Fiscal Agent who will make payments in such Specified Currency by wire transfer of same day funds to the designated bank account in such Specified Currency of those DTC participants entitled to receive the relevant payment who have made an irrevocable election to DTC, in the case of interest payments, on or prior to the third DTC business day after the Record Date for the relevant payment of interest and, in the case of payments of principal, at least 12 DTC business days prior to the relevant payment date, to receive that payment in such Specified Currency. The Fiscal Agent, after the Exchange Agent (as defined in the Agency Agreement) has converted amounts in such Specified Currency into U.S. dollars, will cause the Exchange Agent to deliver such U.S. dollar amount in same day funds to DTC for payment through its settlement system to those DTC participants entitled to receive the relevant payment who did not elect to receive such payment in such Specified Currency. The Agency Agreement sets out the manner in which such conversions are to be made.

(d) Payments subject to Fiscal Laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives but without prejudice to Condition 9. No commission or expenses shall be charged to the holders of Covered Bonds or Couponholders in respect of such payments.

(e) Appointment of Agents

The Fiscal Agent, the Paying Agents, the Transfer Agent, the Registrar, the Registration Agent, the Exchange Agent and the Calculation Agent initially appointed by the Issuer and their respective specified offices are set forth in the Agency Agreement. The Fiscal Agent, the Paying Agents, the Transfer Agent, the Registrar, the Exchange Agent and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each case, do not assume any obligation or relationship of agency for any Bondholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, Transfer Agent, Registrar, Exchange Agent, Registration Agent or Calculation Agent and to appoint other Fiscal Agent, Paying Agent(s), Transfer Agent(s), Registrar, Registration Agent(s), Exchange Agent(s) or Calculation Agent(s) or additional Paying Agent(s), Registration Agent(s) or Calculation Agent(s), provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one (1) or more Calculation Agent(s) and an Exchange Agent where the Conditions so require, (iii) Paying Agents having specified offices in at least two (2) major European cities (and ensuring the financial services of the Covered Bonds in France so long as the Covered Bonds are listed and traded on Euronext Paris and, so long as the Covered Bonds are admitted to trading on any other Regulated Market of the EEA, such other city where the Covered Bonds are admitted to trading) (iv) a Registrar in relation to New York law Covered Bonds (v) a Transfer Agent in relation to New York law Covered Bonds, (vi) in the case of Materialised Covered Bonds, a Paying Agent having its specified office in a Member State of the EU that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other EU Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to, such Directive (which may be any of the Paying Agents referred to in (iii) above), (vii) in the case of Dematerialised Covered Bonds in fully registered form, a Registration Agent and (viii) such other agents as may be required by the rules of any other Regulated Market on which the Covered Bonds may be admitted to trading. The Exchange Agent may, with the prior written consent of the Issuer, appoint a third party to carry out its duties in respect of New York law Covered Bonds that are to be cleared through DTC.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Covered Bonds denominated in U.S. dollars in the circumstances described in paragraph (b)(iii) above.

Notice of any such change or any change of any specified office shall promptly be given to the holders of Covered Bonds in accordance with Condition 17.

(f) Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Covered Bond, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 11).

(g) Business Days for Payment

If any date for payment in respect of any Covered Bond, Receipt or Coupon is not a Business Day, the holder shall not be entitled to payment until the next following Business Day unless otherwise specified in the relevant Final Terms, nor to any interest or other sum in respect of such postponed payment. In this paragraph, "**Business Day**" means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Covered Bonds, on which Euroclear France is open for business or (ii) in the case of all other Covered Bonds, on which Banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "**Financial Centre(s)**" in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than Euro, where payment is to be made by transfer to an account maintained with a Bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in Euro, which is a TARGET Business Day.

(h) Bank

For the purpose of this Condition 8, "**Bank**" means a bank in the principal financial centre of the relevant currency or, in the case of Euro, in a city in which banks have access to the TARGET System.

9. Taxation**(a) Tax Exemption for Covered Bonds constituting obligations or debt instruments (*titres de créances*) assimilated thereto for French tax purposes**

All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Covered Bonds shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) Additional Amounts

If French law should require that payments of principal or interest in respect of any Covered Bond, Receipt or Coupon be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Bondholders or, if applicable, the Receiptholders and the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Covered Bond, Receipt or Coupon, as the case may be:

- (i) *Other connection*: to, or to a third party on behalf of, a Bondholder, Receiptholder or Couponholder who is liable to such taxes or duties by reason of his having some connection with the Republic of France other than the mere holding of the Covered Bond, Receipt or Coupon; or

Extraordinary Resolutions sanctioned at a valid meeting must be published in accordance with the provisions set forth in Condition 17.

Each holder of New York law Covered Bonds will have the right, during the fifteen (15)-day period preceding the holding of each meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the meeting, all of which will be available for inspection by the relevant holders of New York law Covered Bonds at the registered office of the Issuer, at the specified offices of any of the Paying Agents and at any other place specified in the notice of the meeting.

The Issuer will pay all expenses relating to the calling and holding of meetings and, more generally, all administrative expenses resolved upon by the meeting, it being expressly stipulated that no expenses may be imputed against interest payable under the New York law Covered Bonds.

The Agency Agreement provides that a resolution in writing signed by or on behalf of all the holders of New York law Covered Bonds who for the time being are entitled to receive notice of a meeting in accordance with the provisions herein contained shall for all purposes be as valid and effectual as an Extraordinary Resolution passed at a meeting of such Bondholders duly convened and held in accordance with the provisions herein contained.
