

## A Strong Growth

AKKA Technologies Group generated revenues of **282.8 M€ over the first 9 months**. The activity is good with a **sustained organic growth** and an **international business still dynamic, up 47%**.

### Consolidated Revenue (1<sup>st</sup> January– 30 September)

In M€	30.09.2008	30.09.2007	Changes
Revenue over 9 months	282.8	151.1	+ 87%

Q3 sales are up 75% to 87.9 M€ compared to 2007, of which 13% is due to organic growth. At 30 September, consolidated revenue was 282.8 M€, up 87%.

Over 9 months, performance indicators are trending upwards and excluding COFRAMI, revenue rose by 22% of 184.4 M€.

Outside France, sales grew 47% to 29.2 M€, with all our subsidiaries posting dynamic performances.

Over the period, the Group was able to strengthen its positions across all business segments while demand for services remained strong amid an international economic environment in turmoil.

### 2008 Targets confirmed

The Group is continuing on its road map and confirming the targets announced for the full fiscal year:

- Revenue is expected to top 380 M€.
- Growth, excluding Coframi, will exceed 13%.
- Current operating income ratio is expected to come close to that achieved in the first half of 2008.

**Next press release: revenue 2008, on 12 February 2009, after the end of the Bourse trading day**
