

## 2009 turnover up by 10%

### Consolidated turnover (January 1 to December 31)

In M€ (non audited)	2009	2008	Change
12-month aggregate	224.2	204.0	+ 10%

Tessi achieved excellent results over the financial year with turnover experiencing growth of 10% on last year, representing an additional €20.2m generated over the period. Organic growth stood at €16.7m, or 8.2%.

At €59.1m, Q4 activity remained stable compared to last year, which stands as a particularly high basis for comparison.

For the 12-month period, a breakdown of turnover shows growth in all Group activities:

- Tessi Payment Methods increased by 12.7% on 2008 to €109.4m. This activity was boosted by the sustained growth of CPoR Devises.
- Tessi Document Processing continued to grow with turnover increasing by 8.3% to €69.5m.
- Tessi Marketing Services confirmed its impetus with activity rising by 11.2% to €40.1m.
- Other non-affected activities, resulting from the scope acquired from Cegedim in 2007, accounted for €5.2m, compared to €6.6m last year.

### Results trends for 2009

Given the performance achieved, **Tessi** forecasts a particularly high return on operations.
