About Naturex

Naturex is the world leader in specialty plant-based natural ingredients.

The Group, organized around three strategic markets - Food&Beverage, Nutrition&Health and Personal Care - , manufactures and markets natural ingredients for food, nutraceutical, pharmaceutical and cosmetic industries.

Naturex, whose head office is based in Avignon (France), employs more than 950 persons and benefits from high performance industrial resources through 11 production sites in Europe (France, Italy, Spain, the United Kingdom and Switzerland), in Morocco, in the United States, in Brazil and in Australia. Moreover, the Group has a worldwide geographical presence through a dedicated sales network in 16 countries (France, Italy, Spain, the United Kingdom, Belgium, Germany, Switzerland, Russia, U.A.E, Thailand, Singapore, Japan, China, Australia, the United States, Australia).

Naturex's sound performance is linked to the fast-growing demand for natural ingredients and its capacity to provide manufacturers customized solutions with the means to meet the requirements of their end consumers.

Its strength lies in its ability to position itself on specific products which constitute niche markets.
