Call for tenders for the first 100 MW of the wind project in Morocco

Following the signature of their partnership on May 31, 2011, THEOLIA and the *Office National de l'Electricité* (the "ONE") jointly launched the call for tenders to choose suppliers and contractors for the construction of the first phase of the 300 MW wind project located in the area of Tangier.

This first phase is a repowering operation that will bring the installed capacity of the Koudia al Baida wind farm from 50 to 100 MW.

The open invitation to tender is available on the ONE's Website, under reference SP 470 441. The complete documentation can be obtained from the ONE.

About THEOLIA

THEOLIA is an independent producer of wind energy, active over the entire wind value chain. The Group develops, builds and operates wind farms in four main countries: France, Germany, Italy and Morocco. In total, the Group operates 910 MW for its own account and for third parties.
