

BOOKINGS AS AT MARCH 31st 2013

By the end of March 2013, HOMAIR Vacances has recorded a €48,2m booked sales level (including VAT), i.e. + 13 % vs cumulative booked sales by the end of March 2012.

Given strong seasonal patterns and as it is the case every year at this stage of the season, this performance does not allow a direct extrapolation for the full year, but enables to confirm the objective of a 10 % or more growth for the EBITDA, for the 12 months period.
