

BOOKED SALES AS OF MAY 31st 2013

Aix-en-Provence – June 6th, 2013 – [5:45 pm]

2013 booked sales to date (including VAT) indicate a 9 % growth versus the same 8-months period last year (From October 1st to May 31st).

As it is the case each year, the seasonality of booking patterns does not allow to extrapolate directly this performance for the whole 12 months period.

However, these results allow the Group to maintain its target: a more than 10 % growth of the EBITDA for this year (October 2012 – September 2013).
