Eligibility of Solucom shares for the 'PEA-PME' scheme

Solucom announces that it complies with the eligibility criteria for the 'PEA-PME' (equity savings plan for small and medium-sized businesses) specified in the application decree dated 4 March 2014 (Decree no. 2014-283), namely:

- a total headcount of less than 5000 employees
- a turnover of less than €1.5 billion or a balance sheet total of less than €2 billion

These criteria must be assessed taking into account the fact that the business may be part of a group.

Consequently, Solucom shares are eligible for incorporation into 'PEA-PME' accounts, which benefit from the same tax benefits as traditional equity savings ('PEA') plans.

Next announcement: publication of annual sales for 2013/14, on 29 April 2014 (after the close of the market).
