

PEA-PME eligibility of TESSI equities

Tessi announces that it is eligible for the new French "PEA-PME" personal equity plan for small and medium-sized enterprises introduced under implementing decree no. 2014-283, published in the Official Journal on 4 March 2014.

Accordingly, shares in Tessi may be included in PEA-PME accounts, which enjoy the same tax benefits as conventional personal equity plans (French "PEA" - *plan d'épargne en actions*). At least 75% of the new savings account must consist of securities issued by SMEs and mid-cap companies (French "ETI" - *entreprise de taille intermédiaire*), of which 50% must be shares, without exceeding €75,000.

Companies with less than 5,000 employees and either revenues of less than €1.5 billion or a balance sheet total of less than €2 billion are eligible for the scheme.
