Interim 2014 results, on 18 September 2014 before trading.

*"The best way to predict the future is to invent it.
Let's share our passion for technology."*

AKKA Technologies is a European Engineering and Technology Consulting Group that supports large manufacturing and tertiary services companies, seeing their projects through from the initial studies and R&D to large-scale production. AKKA Technologies is an expert in various complementary business lines, and brings real value added to customers in sectors including aerospace, automotive, space/defence, consumer electronics, telecommunications, chemicals, pharmaceuticals, steel, energy, rail, marine and service industries.

AKKA Technologies is the leader in the automotive and aerospace sectors in Germany and France, and, thanks to the mobility of its staff and its international positioning, collaborates on state-of-the-art technology projects around the world.

The AKKA Technologies Group has nearly 11,000 employees and operates in 20 countries, including Belgium, Canada, China, Czech Republic, France, Germany, Hungary, India, Italy, Morocco, Netherlands, Romania, Russia, Spain, Switzerland, Tunisia, Turkey, UAE, UK and US.

AKKA Technologies is listed on Euronext Paris TM - Segment B, ISIN code FR0004180537.
