

First half 2014 results

Operating margins remained high at 13.9%

The Tessi Group's Board of Directors met on 4 September 2014 and approved the first half 2014 financial statements. These consolidated financial statements have been reviewed by the Statutory Auditors.

> Consolidated income statement (1 January – 30 June)

€m	H1 2014	H1 2013
Turnover	121.3	121.0
Current operating income	16.8	19.2
Current operating margin	13.9%	15.9%
Operating profit	16.8	19.2
Net income (Group share)	9.9	11.7
Net margin	8.2%	9.7%

> First half net margin of 8.2%

First half turnover increased by €0.3 million to €121.3 million, but decreased by 1.9% to €118.7 million at constant consolidation scope.

Group current operating income amounted to €16.8 million, down €2.4 million, mostly due to the fall in CPoR Devises' gold trading business volumes.

- Tessi documents services performed well, posting turnover of €83.7 million, while current operating income rose by €1.5 million to €10.3 million, compared to €8.8 million for the same period last year. The operating margin amounted to 11.9% compared to 11.0% for the first half of 2013. Graddo, the Spanish company acquired in May last year, contributed €2.6 million to the increase in turnover and €0.2 million to current operating income.
- CPoR Devises, which posted turnover of €22.8 million for the period, returned to a more standard level of profitability. Current operating income amounted to €6.3 million compared with €9.6 million last year, generating an operating margin of 27.6% compared with 35.9% in the first half of 2013.
- Tessi marketing services registered a €2.0 million fall in turnover, which amounted to €12.2 million, but remained profitable. Current operating income was €0.2 million, compared with €0.8 million last year. The second half is expected to be stronger.

Net financial expense of €0.3 million was almost unchanged compared to H1 2013, as was the income tax charge, which amounted to €5.8 million compared to €5.9 million in H1 2013. Accordingly, consolidated net income worked out at €10.7 million compared to €13.0 million in the previous period.

Net profit Group share amounted to €9.9 million, giving a net margin of 8.2%.
