Paris, 20 March 2015

For its first participation in the Great Place to Work® awards, Solucom recognised as 5th best Workplace in 2015

Solucom makes remarkable entry into 2015 GPTW® charts

In 2015, 69 firms in France were contending to obtain GPTW® best workplace ranking in the category of companies with over 500 employees.

Commenting on Solucom's success, Executive Director of the GPTW® Institute, Patrick Dumoulin stated, *"For its first participation in the GPTW® ranking programme, Solucom has made a remarkable entry, ascending directly into 5th position. This company has proved its ability to grow and expand in a highly competitive sector, without ever losing sight of its key commitment to ensure the well-being of its employees."*

The GPTW® evaluation approach adopted by Solucom is in line with the assessment and benchmarking measures that the firm has been applying for several years within the context of its HR strategy.

GPTW® certification testifies to the efficiency of Solucom HR fundamental points: equality, transparency, conviviality and strong collective culture. But those results are also a real motivating factor to take things further. Speaking on behalf of Solucom, the firm's Director of HR Development, Fanny Rouhet stated, *"This approach will serve to enhance and optimise our HR actions over the long term. The findings of this survey have provided a rich source of information that we will be able to exploit in our future plans of action."*
