Eligibility of BOIRON shares to the PEA-SME

Pursuant to the Decree No. 2014-283 dated March 4, 2014 in application of article 70 of the 2014 Finance act (No. 2013-1278 dated December 29, 2013), which specifies the conditions for assessing the eligibility criteria of companies to the PEA-SME as follows: less than 5,000 employees, on the one hand, a turnover less than 1,500 million euros or a total balance sheet less than 2,000 million euros, on the other hand, the company BOIRON, listed under the A compartment at Euronext Paris, confirms its eligibility to the PEA-SME.

The BOIRON shares can consequently be part of PEA-SME accounts, shares saving schemes intended for the financing of small and medium enterprises and intermediate-sized-companies.

Our next updates:

June 5, 2015: after approval by the Combined Shareholders' Meeting, payment of the proposed dividend (1.50 € per share).

July 17, 2015: after the close of the stock market, publication of the sales on June 30, 2015.
