### About ASK

ASK provides secure contactless solutions for sensitive applications linked to individuals. ASK has developed patented technology based on a unique silver printing process. It creates genuine solutions to the security and reliability challenges of its markets. ASK offers a full range of contactless solutions (cards and inlays – electronic covers and integrated antennas – for passports, tickets, terminals, software) and associated personalization services.

ASK's innovative technology and global organisation, with manufacturing plants in Europe -France-, Asia -China- and the United States, make it the reference player in secure contactless solutions for identity (e.ID) and transport markets. In e.ID, ASK has worked with the most demanding customers since 2006, providing inlays for US, UK, French, Philippine and other passports. In the transport market, ASK has strengthened its leadership position since 2001, supplying over 100 cities in 27 countries, including Atlanta, Chicago, London, Mexico City, Miami, Paris, Singapore, Sydney and Tel Aviv.
