

2015 INTERIM REVENUES: €49.1 million

About Audika:

With more than 460 centers in 91 different regions, Audika is the number one network offering hearing correction consulting and solutions in France. The Group has also been present in Belgium since 2013 (seven centers). Positioned on the market for hearing correction solutions for senior citizens, Audika aims to consolidate its leadership in a sector that remains highly fragmented. Audika is listed on Euronext Paris, Segment C.

Audika Group will disclose its 2015 interim results on September 14, 2015 after market close.

In the first half of its 2015 financial year, Audika Group achieved revenues of €49.1 million, a purely organic increase of 2.3%. Despite a challenging month of May, the second quarter held up the same positive momentum observed in the preceding quarters. This marks Audika's sixth consecutive quarter of revenue growth.

The breakdown of H1 2015 revenues was €48.7 million in France (+2.3%) and €0.4 million in Belgium (stable). During the half-year period, Audika continued to optimize its network coverage in France by closing several non-strategic centers and opening a dozen new centers, bringing the total number of centers on the French network to over 460.
