About Store Electronic Systems

Store Electronic Systems is the leader in Electronic Shelf Labeling systems (ESL) for large-scale food and non-food retailers. The Group designs, markets and installs all the system's components (software and communication platform, displays, mounts), thus providing clients with a turnkey solution. The range of products and services offered by SES allows retailers to manage pricing dynamically, while significantly improving store productivity and developing new contactless uses for consumers.

Store Electronic Systems is listed on Compartment C of Euronext™ Paris.
