#### About AKKA Technologies

***"The best way to predict the future is to invent it. Let's share our passion for technology."***

An engineering and technology consultancy and European leader in the mobility segment, AKKA Technologies operates in 20 countries through 21 centres of excellence building on expertise and synergies forged across the entire Group. Driven by a determination to innovate and a passion for technology, it combines an entrepreneurial spirit with a consistent and visionary strategy. Its understanding of the challenges facing its customers and its positioning across the entire product life cycle enable it to assist major customers on high value-added turnkey projects. With a differentiating positioning symbolised above all by the AKKA Research in-house research centre and a broad international footprint around its unique Franco-German base, AKKA Technologies is poised to become the best in class in large transnational contracts.

With more than 12,000 talented employees, AKKA Technologies delivered revenue of more than €1 billion in 2015, more than 50% of which internationally. It aims to lift this to €1.2 billion by 2018.

AKKA Technologies is listed on Euronext Paris TM – Segment B – ISIN code: FR0004180537.
