ABOUT WALLIX

WALLIX, www.wallix.com, is a software company offering privileged access management solutions for large and medium sized enterprises, public organizations and cloud service providers, helping their many customers to protect their critical IT assets including data, servers, terminals and connected devices.

Wallix AdminBastion Suite (or WAB Suite) gives the most effective route to security and compliance by reducing its users' biggest security risk – privileged access to IT – in the shortest possible time. With an unobtrusive architecture, full multi-tenancy, and virtual appliance packaging, WAB Suite is the easiest solution in its category to implement, use and manage. Defined and praised by SC Magazine as a "unique approach to the entire privileged account management problem", the solution received a five-star rating by the cyber-security expert as well as the mention "Best Buy". Its best of breed features which include password management, web access portal, access control and comprehensive session monitoring and recording can be deployed easily and securely on premise or in a hybrid cloud environment.

WALLIX is a public company listed on AlterNext, with a strong customer presence in EMEA. WALLIX has offices in Paris, in Munich and London. Over 300 companies trust WALLIX to secure their IT systems, including Alain Afflelou, Danagas, Dassault Aviation, Gulf Air, Maroc Telecom, McDonald's, Michelin, PSA Peugeot-Citroen and Quick.
