

**GLOBAL ECOPOWER RECEIVED
THE "LISTED START-UP 2016" PRIZE
AWARDED BY CroissancePlus-PMEfinance
AT THE INTERNATIONAL FINANCIAL FORUM OF
PARIS EUROPLACE**

Aix-en-Provence (France), July 7, 2016. Global EcoPower (Alternext - FR0011289198 - ALGEP), is delighted to be one of the five companies having received a specific prize, and in particular the prize of "The listed start-up 2016" awarded by CroissancePlus-PMEfinance, as part of the International Financial Forum of Paris Europlace on July 6, 2016.

CroissancePlus-PMEfinance, in partnership with Morningstar, Enternext, Paris Europlace and F2iC (Fédération Française des Clubs d'Investissement), highlighted 40 SMEs and ETI eligible for PEA-PME, listed on Euronext Paris, having experienced the strongest growth in turnover these past three years (companies having achieved more than € 5 million in turnover in 2014 while being profitable - excluding financial companies, listed holdings and companies not having a minimum exchange activity (volume treated, free float, market capitalization, etc.).

Among the 40 winners, five companies received a specific prize and Global EcoPower was awarded the prize for "The listed start-up 2016". The turnover of Global EcoPower in 2015 amounted to € 25.91 million and the average growth rate of the last three years to 70.71%.

JEAN-MARIE SANTANDER, PRESIDENT AND CEO OF GEP:

"Global EcoPower is rewarded for the third time. In 2014, we were 33th in the category of Small & Midcap eligible for PEA-PME. In 2015, GEP ranked 1st in the same category and in 2016 the Group was awarded the prize for "The listed start-up 2016". GEP was also nominated on June 29, 2016 in the "Greentech & Energies" category for the Grand Prix des Entreprises de Croissance.

These awards confirm GEP's growth dynamic by the financial community and the success of the strategy developed and implemented by the founders in order to make the Group an independent actor with a unique model dedicated to the construction of wind and solar PV power plants. For the fiscal year 2017, we aim to achieve € 120 million in turnover and an EBITDA of € 32 million."
