

Change in share name and mnemonic code of Wavestone (ex-Solucom) as of July 25th 2016

At the Combined Extraordinary and Ordinary Shareholders Meeting on July 20th 2016, Group shareholders voted to adopt the proposal to change the company name from Solucom to Wavestone.

Accordingly, as of July 25th 2016, the name, ISIN code and mnemonic code of the share listed on the Euronext Paris index will be:

- Name: **Wavestone** (replacing Solucom)
- ISIN code: **FR0004036036** (remains unchanged)
- Mnemonic code: **WAVE** (replacing LCO)

Wavestone is an entirely new consulting group, created out of the January 7th 2016 merger of Solucom and Kurt Salmon's European activities (excluding Retail & Consumer Goods consulting).

With an international network of 2, 500 employees operating across 4 continents, Wavestone ranks among the leading independent consulting firms in Europe and number one in France.

Upcoming events: Publication of H1 2016/17 revenues: Tuesday, October 25th 2016 after Euronext market close.

About Wavestone

Wavestone is a new consulting firm, created out of the merger, at the beginning of 2016, of Solucom and Kurt Salmon's European activities (excluding Retail & Consumer Goods consulting).

In a world where the ability to transform is key to success, Wavestone's mission is to provide customized solutions designed to advise and guide its clients in making their most strategic decisions. With a workforce of around 2,500 employees operating across 4 continents, Wavestone ranks among the leading independent consulting firms in Europe and is number one in France.

Listed on Euronext Paris, Wavestone is eligible to benefit from the PEA-PME share-savings plan. In addition, the Group has been qualified as an "Innovative Company" by the French public investment bank, BPIFrance, and was awarded "Great Place To Work®" status in 2016.
