About AKKA Technologies

“The best way to predict the future is to invent it. Let’s share our passion for technology.”

AKKA Technologies is a European Engineering and Technology Consulting Group that supports large manufacturing and tertiary services companies, seeing their projects through from the initial studies and R&D to large-scale production. AKKA Technologies is an expert in various complementary business lines, and brings real value added to customers in sectors including aerospace, automotive, space/defence, cybersecurity, consumer electronics, telecommunications, chemicals, pharmaceuticals, steel, energy, rail, marine and service industries.

Leader in the automotive and aerospace sectors in Germany and France, AKKA Technologies works worldwide on projects at the forefront of technology thanks to the mobility of its teams and its international positioning.

The AKKA Technologies Group has more than 12,000 employees and operates in 20 countries, namely Belgium, Canada, China, Czech Republic, France, Germany, Hungary, India, Italy, Morocco, Netherlands, Romania, Russia, Spain, Switzerland, Tunisia, Turkey, UAE, UK and US. It is focused on building a group of €1.2 billion in revenue, of which more than 50% outside France.

AKKA Technologies is listed on Euronext™ Paris – Segment B – ISIN code FR0004180537.
