Transport & Smart Cities

Traceability & Brand Protection

Press release - Paris, March 19, 2018

Paragon ID will be present at all of the key events in logistics, transportation and new technologies this spring

Paragon ID (Euronext Paris - FR0011980077 - PID), the leading provider of identification solutions for Transport, e-ID, Traceability and Brand Protection, will be participating in several major exhibitions this Spring which are dedicated to logistics and transport, urban mobility, and contactless technologies for the Smart Industry and Smart Factories of the future.

▶ International Week of Transport and Logistics (SITL), in Paris (France), 20 - 23 March 2018

An international event gathering attendees from more than 80 countries, SITL will again attract over 800 exhibitors and more than 40,000 visitors in the transport and logistics sector.

SITL Europe covers all products and services for the transport of goods and for logistics and supply chains, including RFID, traceability, identification and labels.

Meet the Paragon ID Teams, March 20-23, 2018, Hall 6 - Booth G85

▶ Intertraffic, Amsterdam (Netherlands), 20 - 23 March 2018

Intertraffic is the world's leading traffic industry event. The industry is undergoing major changes and disruptive developments are on a fast track. Intertraffic Amsterdam is the event to attend to discover the latest trends in infrastructure, traffic management, smart mobility, safety and parking.

Paragon ID will be at stand 02.117.

▶ Parking Industry Exhibition, Chicago (USA), 26 - 29 March 2018

The US exhibition dedicated to the world of parking will be held from the 26th to the 29th of March in Chicago. The 2018 event will be dedicated to future changes in the car park industry, and the smart technologies that will radically change this industry in the next decade.

Come and find Paragon ID at stand 614.

▶ **Smart Industries, Paris (France), 27 - 30 March 2018**

PARC DES EXPOSITIONS

The 3rd edition of Smart Industries, the unique event dedicated to the Factory of the Future, will be held from the 27th to the 30th of March, 2018. The exhibition lasts four days, during which time over 10,000 visitors will browse 10,000m² of exhibition space, and network with the 400 exhibitors on the theme of the connected Smart Factory. Smart Industries features high quality conferences, dozens of start-ups as well as exceptional know-how and innovation. It is a global event for the manufacturing sector and is backed by the Industry of the Future Alliance and the President's office. Come and meet Paragon ID's team, from the 27th to the 30th of March, Connect+Event, at stand 3G88.

▶ **Printed Electronics Conference, Paris (France), 28 - 29 March 2018**

Easy integration into intelligent objects on different supports make this new technology very attractive for multiple applications in all sectors. Printed electronics, a fairly recent technology, has strong economic potential offering lower costs and a wide range of new features and applications. Each year, the conference brings together the whole value chain of printed electronics and customers from all sectors.

▶ **RFID Journal LIVE! 2018, Orlando (USA), 10 - 12 April 2018**

RFID Journal LIVE! is the world's largest and most important RFID event, featuring a robust educational program, large exhibition hall, training and much more. The exhibition has been designed to help and support companies and manufacturers to determine the best RFID technology to meet their needs, and to use these technologies to improve their operations and meet their commercial challenges. LIVE! attracts some of the leading companies using RFID today. After taking part in RFID Journal Live! Europe last November, Paragon ID will exhibit for the first time at RFID journal Live US in April. Come and meet our American colleagues at stand 1257.

About Paragon ID

Paragon ID is a leader in identification solutions, in particular in the e-ID, Transport & Smart Cities and Traceability & Brand Protection sectors. Using the latest technologies such as RFID and NFC, Paragon ID provides smart cards, tickets, labels and tags to worldwide clients in diverse markets including public transport, manufacturing, logistics, gaming and retail.

Paragon ID employs more than 600 staff, with manufacturing sites in three continents (US, Europe and Asia), close to its customers.

Paragon ID is a part of Paragon Group, which is a leading provider of Identification and Customer Communications services, and has a total of more than €650 million turnover and close to 5,000 employees. Paragon Group combines generations of experience with the latest innovations in technology and smart data to enable responsive and meaningful interactions between organizations and their customers. For further information about Paragon Group, visit Paragon-Europe.com.

Paragon ID is listed on Euronext Paris. Share identification: Paragon ID - ISIN code: FR0011980077 - Mnemonic code: PID.
