Update on the Distributions ex-date

TERREÏS filed on June 7, 2019 a public share buyback tender offer (the “**OPRA**”) following the effective realisation of the disposal of a property portfolio comprising 28 real estate assets for €1.7 billion (excluding transfer duties) to entities controlled or managed by Swiss Life Asset Managers (the **Disposal**).

As a reminder, the effective realisation of the Disposal announced on May 28, 2019 is accompanied by the payment of dividends totalling €25.38 per ordinary share and €25.56 per preference share (the **Distributions**). The Distributions will be detached on July 1, 2019 (ex-date), and will be paid on July 3, 2019.

The indicative timetable contained in the draft offer document relating to the “OPRA” is revised as follows, as a consequence of the new ex-date. Subject to the receipt of the AMF's compliance decision on the OPRA, the OPRA would be opened on July 3, 2019 and the settlement-delivery of the shares tendered to the OPRA would occur on July 30, 2019.

Prior to the opening of the OPRA, the *Autorité des marchés financiers* (AMF) will publish a notice announcing the opening date and the timetable of the Offer, and Euronext Paris will publish a notice announcing the terms and timing of the Offer.
