Olympique Lyonnais has transferred Ivory Coast international Maxwel Cornet to English club Burnley (Premier League) for €15 million, of which a sell-on fee of 15% will be paid to FC Metz with respect to the gain realised by OL on the transaction.

Maxwel Cornet came to Olympique Lyonnais in January 2015 from FC Metz for €400,000. He appeared in 252 matches with OL, including 184 in Ligue 1. He scored 51 goals, including several decisive ones against Manchester City in the Champions League.

The 24-year-old forward, who can also play left wing, has won 21 caps with the Ivory Coast national team, placing him among the club's all-time top 30 capped players.
