ABOUT WALLIX

WALLIX is a European cybersecurity software developer and world leader in the Identity and Access Management market. With a strategy based on innovation and agility, WALLIX's mission is to simplify cybersecurity for its clients worldwide. The WALLIX range of solutions is distributed by a network of over 300 resellers and integrators worldwide, and WALLIX supports nearly 3,000 organizations across more than 90 countries in securing their digital transformation.

The company is listed on Euronext (ALLIX). The founders and managers, as well as the investment structure Thierry Dassault Holding, are the historical reference shareholders.

OT.security by WALLIX is a brand dedicated to the security of digital access and identities in industrial environments.

WALLIX affirms its digital responsibility and is committed to contributing to the construction of a trusted European digital space, guaranteeing the security and confidentiality of data for organizations, as well as for individuals concerned about the protection of their digital identity and privacy. Digital technology, whether for professional or personal use, must be ethical and responsible in order to pursue a secure societal digital transformation that respects individual freedoms.
