Following these transactions, FDE holds 2.89% of its capital (excluding its own shares held under the liquidity contract).

This transaction is fully financed with available cash and will not affect the financial capacity of the group, still focused on the implementation of its various organic and external growth projects.

FDE's FY 2030 objectives comprise annual revenues of more than €175 million, and an EBITDA above €85 million, combined with over 20 million tons of CO₂eq emissions avoided per annum

Next event: Annual Sales 2024, 23 July 2024
