

CBo Territoria continues to expand its property portfolio in Réunion Island

Completion of the first phase of Jardin des Gardénias to SHLMR (Groupe Action Logement)

CBo Territoria recently delivered the first 42 intermediate rental housing units (LLI) of the **Jardin des Gardénias** development in **Beauséjour** (Sainte-Marie).

The second phase, comprising 36 additional units, is scheduled for completion in October. This project reflects the shared goal of CBo Territoria and SHLMR to enhance the quality of life through the construction of high-quality, environmentally sustainable homes.

Jardin des Gardénias is seamlessly integrated into the sustainable town of Beauséjour thanks to its modern, carefully considered architecture. Pedestrian pathways allow residents to enjoy the many landscaped green spaces throughout the development.

The homes provide functional, bright and thoughtfully designed living spaces that meet the expectations of modern lifestyles. Every detail has been carefully planned to guarantee comfort, practicality, and overall quality of life.

The high standard of the residence is reflected in the well maintained, welcoming common areas which create a safe, pleasant environment and encourage a sense of community among residents.

Numerous developments underway, including the sale of 37 sea-view plots in Saint-Pierre

By the end of June 2025, CBo Territoria teams will oversee construction sites for over 200 units, compared to 166 units at the end of December 2024:

- *Aloe Macra* (76 units) and the second phase of *Jardins des Gardenias* (36 units) in the tropical town of **Beauséjour** in Sainte-Marie, a district that continues to grow.
- Le Coutil (48 units) in **Marie-Caze** in Saint-Paul, where construction has just started. *Pierre de Lune* and its 12 terraced villas built on **Roche Café** in Saint-Leu; and the third phase of *Kaisary* (37 units) in the Cap Austral district of **Grands-Bois** in Saint-Pierre, which has recently been brought to market.

In response to the commercial success of the first two phases of *Kaisary* (49 plots), **CBo Territoria is now offering 37 additional building plots** aimed at a diverse range of buyers, including those seeking a primary residence and investors subject to corporation tax.
