EPC Groupe (Euronext - EXPL) is one of the world leaders in the manufacturing, storage, and distribution of explosives. For 130 years, the Groupe has been leveraging its expertise, technical skills, and technological innovations to provide solutions that generate performance and value for its clients in the mining, quarrying, infrastructure, and underground works sectors.

EPC Groupe is also one of the leading companies in France in demolition and construction waste recycling, with a presence across the entire country. It is involved in numerous renovation projects in the fields of cultural heritage, housing, and industry, and is also a recognized player in the circular economy.

With revenue of more than €550 million in 2024, EPC Groupe employs over 2,900 people across its 44 subsidiaries in more than 29 countries.
