

OL TRIGGER MARTIN SATRIANO'S PURCHASE OPTION AHEAD OF HIS LOAN TO GETAFE

16 January 2026 – 6.15 pm

Olympique Lyonnais announce that they have exercised the purchase option for Martin Satriano from Racing Club de Lens for a fee of €5 million, with bonuses that could reach €1 million and a 10% sell-on clause on any future capital gain. With a view to offering him more playing time, the Uruguayan forward will join Getafe until the end of the season on a loan initially free of charge, which may however become payable up to a maximum of €300,000, with a purchase option set at €6.5 million.

Having arrived on 1 September, Martin Satriano (24) made 19 appearances for OL in all competitions, scoring three goals, including a brace against FC Nantes in the match celebrating the club's 75th anniversary.

Olympique Lyonnais thank Martin for his outstanding commitment over the past six months and wish him every success for the remainder of the season in Spain with Getafe.
