### **What Is emoji™ Marble Dash**

emoji™ Marble Dash is a fast, arcade-style racing game that mixes marble physics with the freedom and innovation of Web3 – powered by Immutable zkEVM. Players choose their favorite emoji-inspired characters and race through themed, obstacle-filled tracks, where quick reflexes and smart strategy make all the difference.

Behind the scenes, Immutable’s technology ensures that every item, upgrade, and achievement earned by the players truly belongs to them.

### **Playable Demo Available Now on Epic Games Store**

The emoji™ Marble Dash demo allows players to discover the game’s core mechanics, centered on competitive, physics-based marble racing. Players control emoji™ characters racing across themed tracks, where momentum, precision, and timing are key to performance.

Designed with a strong multiplayer focus, the demo offers an early look at the game’s competitive structure and skill-based gameplay, while remaining accessible to a broad audience.
