## Q4 Sales 25/26: +27%

Lagord, July 15, 2026

**MACOMPTA.FR** (ISIN Code: FR001400NQB6 – Ticker code: ALCPA), a French publisher of software solutions for businesses and chartered accountants, today announces its sales for the fourth quarter of the 2025/2026 fiscal year (April 1, 2026 – June 30, 2026).

### Overall business performance:

During the fourth quarter of 2025/2026, MACOMPTA.FR generated revenue of **€1,595K** representing an increase of **27.0%** compared with the fourth quarter of the previous fiscal year.

For the full fiscal year 2025/2026, revenue reached **€5,205K**, compared with **€4,064K** in 2024/2025, representing annual growth of **28.1%**. This performance demonstrates the strength of the Company's business momentum.

Growth was driven across all of the Company's product lines, including accounting, payroll and invoicing software solutions. It should be noted that the revenue reported for the period does not yet include any revenue generated from electronic invoicing services, despite MACOMPTA.FR having obtained its accreditation as an approved electronic invoicing platform. Furthermore, the reported revenue does not yet include any contribution from the commercialization of AI agents.
