AREVA adopts the AFEP-MEDEF recommendations on executive compensation

On December 18, 2008, on a favorable opinion of the Compensation and Nominating Committee, the AREVA Supervisory Board adopted the recommendations issued by AFEP-MEDEF in October 2008 regarding executive compensation in publicly traded companies.

These recommendations are part of the AFEP-MEDEF Code of corporate governance of December 2008, which is incorporated by reference in the governance principles implemented by AREVA since the company was created. The Code will serve as a reference for the preparation of the report referred to in article L.225-37 of the French Commercial Code.

About us

With manufacturing facilities in 43 countries and a sales network in more than 100, AREVA offers customers reliable technological solutions for CO₂-free power generation and electricity transmission and distribution. We are the world leader in nuclear power and the only one to operate in every area of this sector. Our 72,000 employees are committed to continuous improvement on a daily basis, making sustainable development the focal point of the group's industrial strategy. AREVA's businesses help meet the 21st century's greatest challenges: making energy available to all, protecting the planet, and acting responsibly towards future generations.
