**Press release concerning access to Gecimed's offer response document and the document including other information, notably on Gecimed's legal, financial and accounting characteristics, drawn up in connection with Gecina's alternative public offering or exchange offer for Gecimed's shares**

On April 21, 2009, the French securities regulator ("**AMF**") issued a statement of compliance concerning Gecina's alternative public offering or exchange offer for the Gecimed shares not yet held by Gecina (the "**Offer**"). Gecimed's offer response document has been approved by the AMF under number 09-101.

The Offer will open for 25 trading days from April 27, 2009 to June 1, 2009 (inclusive). In this way, Gecina is offering Gecimed's shareholders the possibility to:

- Either sell the Gecimed shares to it at a price of 1.48 euros per Gecimed share tendered (the "**Purchase Section**"),
- Or exchange the Gecimed shares based on a ratio of 1 Gecina share for 20 Gecimed shares tendered (the "**Exchange Section**"),

Gecimed's shareholders may combine the two options as they wish, tendering part of their Gecimed shares for the Purchase Section and another part for the Exchange Section.

Gecimed's offer response document, as approved by the AMF, and the document including other information, notably on Gecimed's legal, financial and accounting characteristics, filed with the AMF on April 24, 2009, are available free of charge from:
