Paris, le 4 mai 2009 – Sodexo, leader des services de Restauration et de Facilities Management sur la plupart de ses marchés, a été classé au troisième rang mondial des entreprises de services les plus performantes par l'International Association of Outsourcing Professionals™ (IAOP™)¹, organisation internationale des professionnels de l'externalisation. l'entreprise la mieux classée dans sa catégorie, les « Facility Services » et est également la première entreprise d'origine française de ce palmarès.

Afin de réaliser ce classement, l'IAOP évalue les entreprises d'externalisation à travers le monde, en se basant sur une série de critères parmi lesquels la croissance du chiffre d'affaires, l'expérience acquise en matière d'externalisation, la densité du réseau mondial, les compétences des équipes et leur formation, leurs certifications techniques et professionnelles (telles que ISO 9001), l'expérience professionnelle de l'équipe de management et la qualité du service aux consommateurs.

Michel Landel, Directeur Général du Groupe Sodexo, a commenté : « Nous sommes très honorés d'être ainsi, une nouvelle fois, reconnus parmi les plus grandes entreprises mondiales de service. Cette distinction rend hommage à l'engagement quotidien de nos 355 000 collaborateurs à travers le monde, qui ont à cœur de faire de chaque jour un jour meilleur pour nos clients et nos consommateurs ».
