

Press release

Public offering on GECIMED

Paris, June 12, 2009

Gecina's public offering on Gecimed's shares was closed on June 1, 2009 in line with the calendar published by Euronext.

The results of this offering, released on June 12, 2009 by the French securities regulator (AMF Notice n°209C0844), indicate that Gecina's capital stake in Gecimed has been raised to 95.6%, with a total of 56,314,399 shares held.

In accordance with the AMF's regulations, the offering will be opened up again from June 15, 2009 to June 26, 2009 in order to allow any shareholders wishing to do so to tender their shares based on the same terms as the initial offer.

Reopening the offering in this way will not defer the settlement-delivery date for the shares already tendered, which is set for June 19, 2009.

About Gecimed

Gecimed, a French real estate investment trust (Société d'Investissement Immobilier Cotée, SIIC) listed on Euronext Paris, is the first property management company dedicated exclusively to medical real estate. Gecimed's mission is to develop a real estate asset base of healthcare and medico-social facilities: at December 31, 2008, Gecimed's portfolio included 34 assets in operation (clinics, hospitals and housing for dependent elderly people) representing 4,326 beds.
