**PSA Peugeot Citroën confirms that it has started discussions with Mitsubishi Motors Company concerning the possibility of extending their relationship**

PSA Peugeot Citroën has developed successful cooperations with Mitsubishi Motors Company in three areas in recent years:

- product development with the cooperation on 4x4 vehicles (Peugeot 4007 & Citroën C-Crosser)
- clean technologies with electric vehicles
- a joint venture in Russia, in Kaluga

PSA Peugeot Citroën confirms that it has started discussions with Mitsubishi Motors Company concerning the possibility of extending their relationship which could lead to a strategic partnership.
