

PRESS RELEASE

ExonHit will participate to the Paris Smallcap Event on April 12 & 13

Paris, France, March 31, 2010 - ExonHit Therapeutics (Alternext: ALEHT), a fast emerging healthcare player developing innovative molecular diagnostic tests and therapeutics for Alzheimer's disease and cancer indications, today announced its participation to the fifth edition of the Smallcap Event to be held in Paris on April 12 & 13.

The Smallcap Event is a forum dedicated to meetings between institutional investors and companies listed on NYSE Euronext. The conference will take place at the salons Hoche, 9 avenue Hoche, 75 008 Paris.

ExonHit Therapeutics will be located at the Invest Securities stand. During these two days, fund managers will have the opportunity to meet with Loïc Maurel MD, President of the Management Board of ExonHit, and Hervé Duchesne de Lamotte, Chief Financial Officer, to learn more about the Company, its latest developments and its strategy for 2010 and beyond.

About ExonHit Therapeutics

ExonHit Therapeutics (Alternext: ALEHT) is a fast-emerging healthcare player active in both therapeutics and diagnostics. The company is applying its proprietary technology, based on the analysis of alternative RNA splicing, to develop innovative molecular diagnostic tests and therapeutics for neurodegenerative and cancer indications. ExonHit has a balanced investment strategy with in-house development programs and strategic collaborations, in particular with bioMérieux and Allergan).

ExonHit is headquartered in Paris, France and has U.S. offices in Gaithersburg, Maryland. The company is listed on Alternext of NYSE Euronext Paris. For more information, please visit <http://www.exonhit.com>.
