

PRESS RELEASE

XIRING: turnover for the first quarter of 2010: 4.4 million euros (+9.8%)

Suresnes, 13 April 2010: XIRING, a security solutions provider for electronic transactions, today announced a turnover of 4.4 million euros as of 31 March 2010, representing growth of 9.8% compared to the 1st quarter 2009.

The turnover for the first quarter of 2010 includes 2.9 million euros generated by XIRING's new scope of activities in Healthcare/Electronic identity; an increase of 5.2% compared to the first quarter of 2009, and also includes 1.5 million euros from the management of the end of a bank authentication contract completed on behalf of the purchaser of the banking business.

The performance for the first quarter of 2010 is in line with the company's objective for the period.

Georges Liberman, Chairman and CEO, stated: *"XIRING's first quarter is in line with its objectives. With Healthcare and Electronic identity, XIRING is positioned for growth and all of our teams are focusing on reaching our European market leadership goals."*

As a reminder, at the beginning of the year, XIRING announced a target of 20 million euros for its 2010 turnover, with operating income exceeding 14%.

Next rendezvous: 16 April 2010: Ordinary and Extraordinary General Shareholders' Meeting

12 July 2010: Publication of the turnover from the first half of 2010

About XIRING

XIRING, a security solutions provider for electronic transactions, develops security software embedded in smart card readers and terminals for strong authentication and electronic signatures. XIRING is the market leader in SESAM-Vitale healthcare terminals for generating and signing electronic medical claim forms or for updating healthcare cards in France and also works alongside authorities in the field of healthcare system dematerialization in international markets. In the area of electronic identity (e-ID), XIRING proposes a broad range of solutions for public authority staff and citizens to meet the latest market challenges with secure electronic identity documents systems: national electronic identity cards, electronic passports, public transport cards, professional cards. XIRING is listed on the Alternext compartment of the NYSE-Euronext Paris stock exchange. For further information: www.xiring.com
