Departure of Mr. Michel Trousseau, Chief Operating Officer

At its meeting on 15 April 2010, the Board of Directors of EDF Energies Nouvelles required that Mr. Michel Trousseau leave his position as Chief Operating Officer (*directeur général délégué*) in charge of Northern and Eastern European and Upstream Photovoltaic due to strategic differences.

Mr. Trousseau will not be replaced in this position, as his responsibilities have been allocated to other members of the group's Executive Committee.

About EDF Energies Nouvelles

With operations in Europe and North America, EDF Energies Nouvelles is a market leader in green electricity production. With a development focused on wind energy for several years and more recently on solar photovoltaic, the Group is also present in other segments of the renewable energies market: small hydro, marine energy, biomass, biofuel and biogas. In addition, the Group is expanding in the distributed renewable energies sector.

EDF Energies Nouvelles, 50 %-owned by the EDF Group, is listed in Euronext Paris since November 2006 (code "EEN", ISIN code: FR0010400143).
