**China Chang'an Automobile Group and  
PSA Peugeot Citroën in Joint Venture discussion**

China Chang'an Automobile Group and PSA Peugeot Citroën have signed a Letter Of Intent for the creation of an automotive 50%/50% Joint Venture in China.

This Joint Venture will produce environmentally friendly Light Commercial Vehicles and Passenger Cars.

The new JV will complement both parties existing JV's in China, without direct competition.

This JV will be established in full compliance with the relevant laws and regulations in China. Both parties are currently discussing the details of the project.
