MEDICA

Joins the MSCI France Small Cap Index

Paris, 26 May 2010 – MEDICA, a leading provider of long and short-term dependency care in France, has joined the MSCI France Small Cap index just three months after being floated on the stock market.

Its inclusion was announced on 11 May 2010 and will be effective after the close of trading on 26 May 2010, when the MSCI index will comprise 101 stocks.

“We are very pleased to be included in the MSCI index, which serves as a benchmark for investors,” said Jacques Bailet, Chairman and Chief Executive Officer. “This should raise our profile in the stock market and help to create a more liquid market for our shares.”

ABOUT MEDICA

Created in 1968, MEDICA is a leading provider of long and short-term dependency care in France. It operates in both the long-term care sector, with 111 nursing homes in France and Italy, and in the post-acute and psychiatric care sector, with 37 post-op and rehabilitation facilities in France. Together, these facilities offered a total of 11,381 beds at 31 December 2009.

MEDICA has been listed on the NYSE Euronext Paris stock exchange – Compartment B since February 2010.
