

“LOVE Stockholm 2010” Sodexo provides its Quality of Daily Life expertise for the Crown Princess of Sweden’s wedding festivities

Issy-les-Moulineaux, June 8, 2010 – Sodexo, world leader in Quality of Daily Life solutions has been selected as official services provider for “LOVE Stockholm 2010,” the official two-week wedding celebration for the Crown Princess of Sweden.

From June 6-19, the City of Stockholm is holding a folk festival around the theme of Love, in honor of the June 19 wedding of Crown Princess Victoria and Mr. Daniel Westling. During the two weeks, Stockholm

will be alive with musical, artistic, cultural, culinary, fashion, design and historical events, with Love as the underlying theme throughout.

Sodexo has been entrusted by the City of Stockholm to be the official caterer for the celebration and is setting up two waterfront restaurants with terraces and cafe sections in the Strömkajen and Skeppsbron districts. The restaurants, each able to accommodate 250 people, will offer seasonal menus of favorite national dishes prepared by Sodexo’s best Swedish chefs, in association with celebrity chef, Tom Sjöstedt, of the Swedish Culinary Team. The two restaurants - and their champagne bars - should serve about 30,000 people. Carry-out meals also are available in front of the restaurants. In addition, Sodexo is the exclusive caterer for the 3,000 journalists expected at the media center, located on Hamngatan, the main street of Stockholm.

About Sodexo

Sodexo, world leader in Quality of Daily Life Solutions

Quality of Life plays an important role in the progress of individuals and the performance of organizations. Based on this conviction, Sodexo acts as the strategic partner for companies and institutions that place a premium on performance and employee well-being, as it has since Pierre Bellon founded the company in 1966. Sharing the same passion for service, Sodexo’s 380,000 employees in 80 countries design, manage and deliver an unrivaled array of On-site Service Solutions and Motivation Solutions. Sodexo has created a new form of service business that contributes to the fulfillment of its employees and the economic, social and environmental development of the communities, regions and countries in which it operates.
