PRESS RELEASE

Paris, 9 November, 2010

Technip launches an offering of bonds convertible into and/or exchangeable for new or existing shares (OCEANE), due January 1, 2016, for approximately €450 million, which may be increased to approximately €550 million.

Technip ("Technip" or the "Company") is launching today an offering of bonds convertible into and/or exchangeable for new or existing shares (OCEANE) due January 1, 2016 (the "Bonds") for approximately €450 million. This amount may be increased up to approximately €500 million if the 11.11% extension clause is exercised in full and up to approximately €550 million if the Joint Lead Managers and Joint Bookrunners exercise in full the 11.11% over-allotment option on behalf of the Underwriters, which must occur no later than November 15, 2010.

The main purpose of the Bonds issue is to partially refinance a €650 million bond that matures in May 2011, as well as to secure long term financing to cover the group's recent investments.

The par value of the Bonds will include an issue premium of between 32% and 37% over Technip's share reference price on Euronext Paris¹. The Bonds will bear interest at an annual rate of between 0.0% and 0.5% payable annually in arrears on January 31 of each year (or on the following business day if that date is not a business day), and for the first time on January 31, 2011. The issue date and the settlement and delivery date of the Bonds is expected to be November 17, 2010. The Bonds will be redeemed at par on January 1, 2016. The Bonds will be convertible into or exchangeable for new and/or existing Technip shares, at the ratio of one share per Bond, subject to possible future anti-dilution adjustments. The Bonds may be redeemed early at Technip's option under certain conditions.

The final terms and conditions of the offering are expected to be determined on November 9, 2010.

This offering is led by Banco Santander, BNP Paribas, Crédit Agricole, Deutsche Bank, HSBC, and Société Générale, Joint Lead Managers and Joint Bookrunners.

An Update of the Reference Document of Technip (filed with the AMF on March 24, 2010 under No. D.10-0160) was filed with the AMF on November 8, 2010 under No. D.10-0160-A01 and is available on Technip's website (www.technip.com), as well as on the AMF's website (www.amf-france.org).

¹ The reference price will equal the volume-weighted average price of Technip's shares on Euronext Paris from the opening of trading on November 9, 2010 until the final terms of the Bonds are determined.

This press release does not constitute an offer to subscribe for the Bonds. There shall be no public offer of the Bonds in any country other than France, which public offer shall be carried out in accordance with the terms specified below:

In France,

- the Bonds will be initially subject to a private placement with persons referred to in article L.411-2-II of the French *Code monétaire et financier*; and

Technip takes no responsibility for any violation of any such restrictions by any person.

This announcement is an advertisement and not a prospectus within the meaning of Directive 2003/71/EC of the European Parliament and the Council of November 4th, 2003 (as implemented in each member State of the European Economic Area, the "Prospectus Directive").

This announcement does not, and shall not, in any circumstances constitute a public offering nor an invitation to the public in connection with any offer.

The offer and sale of the Bonds in France will first be carried out in accordance with article L. 411-2 of the "Code monétaire et financier" and in accordance with Decree no. 98-880 of October 1st, 1998 relating to qualified investors as defined therein. The offer will be made to the public in France only after the granting of the "visa" by the AMF on the prospectus.

As a result, the Bonds may only be offered in relevant member States:

- (b) to any legal entity which has two or more of the following criteria: (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than € 43 million; and (3) an annual net turnover of more than € 50 million, as per its last annual or consolidated accounts;*
- (c) in any other circumstances, not requiring the issuer to publish a prospectus as provided under article 3(2) of the prospectus directive.*

This press release is not a prospectus which has been approved by the Financial Services Authority or any other United Kingdom regulatory authority for the purposes of Section 85 of the Financial Services and Markets Act 2000.

The offering of the Bonds has not been registered with or cleared by the Commissione Nazionale per le Società e la Borsa ("CONSOB") pursuant to the Prospectus Directive (Directive 2003/71/EC) and the Italian securities regulation and, accordingly, the Bonds have not been and will not be offered, sold or distributed in the Republic of Italy ("Italy") in an offer to the public of financial products under the meaning of Article 1, paragraph 1, letter t) of Legislative Decree No. 58 of February 24, 1998 as amended (the "Financial Services Act") unless an exception applies. Therefore, the Bonds may only be offered, transferred or delivered within the territory of Italy:

- (a) to qualified investors (investitori qualificati), as defined in Article 2 paragraph (e) of the Prospectus Directive as implemented by Article 34-ter of CONSOB Regulation No. 11971 of May 14, 1999, as amended (the "Issuers Regulation"); or*
- (b) in any other circumstances where an express exemption from compliance with the restrictions on offers to the public applies, including, without limitation, as provided under Article 100 of the Financial Services Act and Article 34-ter of the Issuers Regulation.*

In addition, and subject to the foregoing, any offer, sale or delivery of the Bonds or distribution of any document relating to the offering in Italy under (a) and (b) above must be:

- (i) *made via investment firms, banks or financial intermediaries authorized to carry out such activities in Italy in accordance with the Financial Services Act, the Issuers Regulation, CONSOB Regulation No. 16190 of October 29, 2007 and Legislative Decree No. 385 of September 1st, 1993 (the "Banking Law"), all as amended;*
- (ii) *in compliance with Article 129 of the Banking Law and the implementing guidelines of the Bank of Italy, pursuant to which the Bank of Italy may request information on the offering or issue of securities in Italy; and*
- (iii) *in compliance with any other applicable laws and regulations, including any conditions, limitations or requirements that may be, from time to time, imposed by the relevant Italian authorities concerning securities, tax matters and exchange controls.*

Any investor purchasing the Bonds in this offering is exclusively responsible for ensuring that any offer or resale of the Bonds it purchased in this offering occurs in compliance with applicable laws and regulations. No person resident or located in Italy other than the original addressees of this document may rely on this document or its contents.

Article 100-bis of the Financial Services Act affects the transferability of the Bonds in Italy to the extent that any placing of the Bonds is made solely with qualified investors and such Bonds are then systematically resold to non-qualified investors on the secondary market at any time in the 12 months following such placing. Should this occur without the publication of a prospectus, and outside of the application of one of the exemptions referred to above, purchasers of Bonds who are acting outside of the course of their business or profession are entitled to have such purchase declared void and to claim damages from any authorized intermediary at whose premises the Bonds were purchased.
