About Vétoquinol

Vétoquinol is an independent veterinary pharmaceutical laboratory serving both the companion and production animal markets. This family-owned group, dedicated exclusively to animal health, is the 10th largest animal healthcare laboratory in the world. More than 80% of its revenues are generated outside France.

Vétoquinol's business includes research and development, production and marketing of medicinal and non-medicinal products. Vétoquinol has positioned itself in the curative sector and has developed expertise in three therapeutic fields: anti-infectives, pain/inflammation and cardiology/nephrology.

The Group currently distributes its products in more than one hundred countries throughout Europe, North America and Asia/Pacific, with subsidiaries in 23 countries and a network of 140 distribution partners. The company has more than 1,600 employees worldwide.
