About ModeLabs Group:

ModeLabs Group, creator of tailor-made handsets and telecom distributor, is a new generation player in the mobile phone sector. The company designs, develops and markets mobile phone handsets, accessories and services in an integrated and flexible manner for mobile phone operators, retailers and major brands.

Its activities are structured within two strategic divisions:

- *ModeLabs Manufacture* integrates conception and design expertise and technological know-how to give luxury (TAG Heuer, Dior, Versace) brands the opportunity to create their own range of mobile phones, and ensures qualitative and selective distribution over three continents in department stores, fashion stores and watch and jewellery stores;
- *ModeLabs Distribution*, historic leader in the distribution of mobile phones and accessories, specialist in creating and commercialising licensed accessories and telecom products, present in each distribution sector: networks, MVNO, mass merchandisers, multi-specialists, telecom specialists, other retailers and e-business.

ModeLabs Group is listed on the NYSE Euronext-Paris Eurolist
