XIRING : Annual turnover objective reached at 20 million euros

Turnover of the fourth quarter 2010: 6.9 million euros

Suresnes, France, January 18th 2011: XIRING, a security solutions provider for electronic transactions, announces a turnover of 6.9 million euros for the fourth quarter of 2010. Annual turnover amounts to 20 million euros in line with its guideline.

Turnover for the fourth quarter of 2010 amounts to 6.9 million euros to be compared with "Health and e-ID" turnover of 6.6 for the same period in 2009.

Q4 turnover 5% growth has been achieved over an exceptionally high 2009 fourth quarter.

As a reminder, annual turnover includes 1.6 million euros from the closing of a banking contract during the first semester.

Georges Liberman, Chairman and CEO, stated: *"XIRING's profile has changed since last year. 2010 is the first year since our banking activity was sold and we focused on Health and e-ID activities. We have consolidated our leadership in French e-Health activity for the generation of electronic medical claim forms and the update of healthcare cards. We have won the first significant references in the e-ID world such as the French 'Gendarmerie Nationale' or SNCF".*

Results of the 2010 financial year shall be released on March 15th 2011, after market closes.
